

### **Eligibility Criteria for O-CHIP Housing Projects**

- Send plans and financials
- What will the funding be used for?
- How does it help address our housing issues?
- Why do you need the funds?
  - How does it impact the consumer
  - Filling gaps?
- Need a support letter from municipality where project will occur

Priority will be given to those projects that meet the following criteria:

- Housing that accommodates senior needs (single family ranch style homes, multiunit housing projects including condos)
- Housing that satisfies ADA accessibility requirements
- Rentals-single and multi-family
- Projects that provide greater density, i.e, skinny homes
- Infill projects-Projects that rely on existing infrastructure
- Brownfields
- Condominiums

Remember, every project must have the support of the local municipality and exhibit financial need
