### Dental Services

#### **Amaus Dental Services**

259 East Onondaga Street in Syracuse, NY  
315-802-6741

Amaus Dental Service is an outreach of the Cathedral of the Immaculate Conception. Their mission is to provide quality dental care to the members of our Central New York community who find themselves unemployed, homeless or without dental insurance. This care will be provided free of charge by volunteer dental professionals and support staff. The scope of the care they offer is limited to examinations, x-rays, hygiene (cleanings), fillings and routine extractions. They do not do root canals, replace any missing teeth, provide or repair dentures, nor extract wisdom teeth. They will not be able to address all of the dental needs of many of their patients, and it may be necessary for the patient to pursue further care on their own. They do have a very limited formulary of medications which includes basic antibiotics, and non-narcotic pain medication.
