ONONDAGA COUNTY CLERK'S OFFICE NOW SELLING NYS THRUWAY *E-Z*PASSES

Lisa Dell, Onondaga County Clerk, is pleased to announce that the County Clerk's Office is now an authorized NYS Thruway *E-Z*Pass On-the-Go retail location. Drivers can purchase *E-Z*Pass at the County Clerk's office for \$25.00, and must register their Tag with *E-Z*Pass, either online or with a toll-free customer service telephone number, before using it.

Ms. Dell states, "The County Clerk's Office is always looking for ways to provide additional and advantageous services to our community. We hope that by becoming a retail location it will be more convenient for people to purchase a tag especially by those who work and live nearby our office. A benefit of using *E-Z*Pass is travel will be more convenient as it will save you time and money. People will no longer have to search for cash and wait in line to pay the toll. Discounts are also available on tolls and *E-Z*Pass is accepted in 15 states including New York."
