"It has been my honor and privilege to serve as Onondaga County Executive. We have made tremendous progress as a community and I'm grateful to have been here at this time to be part of it. The people of Onondaga County can take pride knowing that our finances are strong, our infrastructure is in good working order and we are enjoying the benefits of a revitalized downtown, a thriving Onondaga Lake and growth in tourism with even more good things to come.

Thank you to all of the employees of Onondaga County. It has been a pleasure to work with you. It is the work you do every day that makes all of us proud to call this our home. I also want to thank the residents of Onondaga County for placing their trust in me these past eleven years. Finally, thank you to my family.
