

## **SNAP Audit Report 2013 Program Year**

### **Introduction**

The Onondaga County Comptroller's Audit Division conducted an audit of Onondaga County's Supplemental Nutrition Assistance Program (SNAP) administration expenditures for the 2013 program year. SNAP is federally funded. The U.S. Department of Agriculture (USDA), Food and Nutrition Service (FNS) administers SNAP in cooperation with State and local governments. State human services agencies (or county human services agencies under the oversight of the State government) certify eligibility and provide benefits to households. They also provide nutrition education. FNS provides funding for State administration and benefits, and oversees the operation of State agencies to ensure compliance with Federal laws and regulations. In addition, FNS is solely responsible for authorizing and monitoring retail stores that accept SNAP benefits in exchange for food.
