## COMPTROLLER ISSUES PRINT SHOP AUDIT

Robert E. Antonacci II, Onondaga County Comptroller, announces the release of the office's audit of the Onondaga County Print Shop.

The audit, requested by the Onondaga County Ways and Means Committee, is designed to ascertain the direct cost of Onondaga County's internal print shop. During the course of the 2010 Budget, it was proposed the print shop be closed and on the objection of the County Legislature, the print shop was funded for six months in order for the audit to be completed.

This audit and its findings may now be compared to the costs of printing using outside vendors.

Mr. Antonacci was quoted as saying, "I am proud of my office and my staff for assisting the County Legislature in this type of analysis and we believe it will help the County Legislature in making its decision."
