Comptroller announces “Project Sunshine”

Robert E. Antonacci II, CPA Onondaga County Comptroller, announces “Project Sunshine” which is an initiative by his office to display on-line travel authorizations, changes in personnel and a sample of County expenditures. Project Sunshine begins today with the posting of travel authorizations January 1, 2011 through February 9, 2011.

The Comptroller’s office will make available, on a monthly basis, all travel authorizations displaying purpose of travel and estimated cost.

“If you have ever been interested in ascertaining where County employees are traveling to and for what purpose, please visit our website at www.ongov.net/comptroller on a monthly basis to review the authorizations for yourself,” Antonacci said.

Certain travel authorizations may be deleted by the Office of Comptroller for security or privacy reasons such as travel made by the Department of Social Services, District Attorney, Probation and/or Sheriffs. Every attempt will be made to put the authorizations on-line with redacted information if appropriate.

If further detail to any travel authorization is requested, please contact the Comptroller directly at 435-2130.

Coming soon will be “Claims of the Month” wherein certain claims will be displayed and explained to the taxpayers. Similarly, personnel position changes and new hires will be placed upon the website to display changes in the County roster.

For further information please contact Robert E. Antonacci at 435-2130.
