

The Onondaga County Department of Transportation is currently accepting applications for the position of:

Engineering Aide II
Location: Civic Center
Salary: \$43,828/Annual
Hours of work: 7:30 am-3 pm

The work involves responsibility for performing elementary technical work in assisting on engineering projects in the field or office in Onondaga County Department of Transportation. Under supervision, an employee in this class acts as an assistant in a survey party or comparable level of work in the field or office. Specific work assignments received are usually accompanied by detailed written or oral instructions. Employees have more responsibility for work methods and greater opportunity to use independent judgment and engineering skill as experience is gained. This employee may act as party chief on minor engineering surveys. Supervision may be exercised over subordinate Engineering Aides. Does related work as required.

Minimum Qualifications:

Open-Competitive:

- A. Successful completion of thirty (30) semester credit hours from a regionally accredited college or university or one accredited by the New York State Board of Regents to grant degrees in a Civil Engineering or Mechanical Engineering Technology curriculum, or graduation with a certificate in Surveying Technology; or,
- B. One (1) year of paraprofessional level work experience, or its part time equivalent, in civil engineering and land surveying, or a field closely related to civil engineering and land surveying; or,
- C. An equivalent combination of training and experience as defined by the limits of (A) and (B).

Name and Address where Applications/Resumes should be directed:

Ayanna Moore, Administrative Director
421 Montgomery Street, 11th Floor
Syracuse, NY 13202
