**ONONDAGA COUNTY DEPARTMENT OF TRANSPORTATION TO BEGIN
MAINTENANCE ON LAMSON ROAD BRIDGE**

The Onondaga County Department of Transportation will begin maintenance on the Lamson Road Bridge. The bridge is located on Lamson Road near the Village of Phoenix, adjacent to the canal draw bridge.

Contract forces will be setting up a work zone beginning Monday, April 23, 2018. Traffic will be reduced to one lane alternating traffic controlled by temporary signals. This project is expected to be completed during this construction season.

As with any highway project, the Onondaga County Department of Transportation encourages motorists to plan ahead for potential delays and to consider alternate routes, if possible. We respectfully ask the traveling public to please reduce speeds in work zones, use caution, and be mindful of construction workers and equipment.

Questions regarding this project may be forwarded to Patty Jeschke, Project Coordinator, by call (315)435-3205.
