**ONONDAGA COUNTY DEPARTMENT OF TRANSPORTATION TO BEGIN
HIGHBRIDGE STREET CULVERT PROJECT**

The Onondaga County Department of Transportation will begin a replacement project to the Highbridge Street culvert over Snook's Pond Outlet in the Town of Manlius.

County forces will be setting up a work zone beginning June 12, 2017. This project includes the replacement of the existing concrete box culvert, bank stabilization, and upgrades to the guiderail. The condition of the current structure does not allow for staged construction and alternating one-way traffic, therefore Highbridge Street will be closed to traffic during construction. A marked detour route utilizing Highbridge Street, Troop K Road, New York State Route 173, and Woodchuck Hill Road will be established.

This project is expected to be completed by the end of this construction season.
