**ONONDAGA COUNTY DEPARTMENT OF TRANSPORTATION TO BEGIN
JOINT REPLACEMENT WORK ON N. KIRKVILLE ROAD BRIDGE**

The Onondaga County Department of Transportation will begin joint replacement work on the North Kirkville Road Bridge over the Chittenango Creek. The bridge is located just north of the intersection of North Kirkville Road and Kirkville Road in the Town of Manlius.

Contract forces will be setting up a work zone beginning Monday, May 14, 2018. Traffic will be reduced to one lane alternating traffic controlled by temporary signals. This project is expected to be completed during this construction season.

As with any highway project, the Onondaga County Department of Transportation encourages motorists to plan ahead for potential delays and to consider alternate routes, if possible. We respectfully ask the traveling public to please reduce speeds in work zones, use caution, and be mindful of construction workers and equipment.

Questions regarding this project may be forwarded to Patty Jeschke, Project Coordinator, by call (315)435-3205.
