**ONONDAGA COUNTY DEPARTMENT OF TRANSPORTATION TO BEGIN
WEST VALLEY ROAD CULVERT PROJECT**

The Onondaga County Department of Transportation will conduct a complete replacement of the culvert on West Valley Road, over the tributary to Spafford Creek in the Town of Spafford. The culvert is located on West Valley Road between Churchill Road and Sawmill Road.

County forces will be setting up a work zone beginning July 8, 2019. An offsite detour route will be utilized. Motorists are asked to follow the marked detour during the closure.

As with any highway project, the Onondaga County Department of Transportation encourages motorists to plan ahead for potential delays and to consider alternate routes, if possible. We respectfully ask the traveling public to please reduce speeds in work zones, use caution, and be mindful of construction workers and equipment.

This project is expected to be completed by the end of the 2019 construction season.

Questions regarding this project may be forwarded to Patty Jeschke, Project Coordinator, by call (315)435-3205.
