**ONONDAGA COUNTY DEPARTMENT OF TRANSPORTATION TO BEGIN
BRIDGE REPAIR WORK ON CARDNER ROAD**

The Onondaga County Department of Transportation will be initiating a bridge repair work on Cardner Road in the Town of Pompey, Onondaga County, NY beginning Monday July 27, 2020. The bridge is located approximately one (1) mile to the north of NY State Route 80. The repair work will require the closure of Cardner Road to all but local traffic between Route 80 and Delphi Falls Road. All work will be completed by County Forces.

The work will include the asphalt removal, the installation of waterproofing membrane on top of the existing concrete box structure and paving over the affected work area.

As with any highway project, the Onondaga County Department of Transportation encourages motorists to plan ahead for potential delays and to consider alternate routes, if possible. We respectfully ask the traveling public to please reduce speeds in work zones, use caution, and be mindful of construction workers and equipment.

This project is expected to be completed by the end of the 2020 construction season.

Questions regarding this project may be forwarded to Patty Jeschke, Project Coordinator, by call (315)435-3205.
