**ONONDAGA COUNTY DEPARTMENT OF TRANSPORTATION TO BEGIN  
SALT SPRINGS ROAD CULVERT PROJECT**

The Onondaga County Department of Transportation will begin a culvert rehabilitation project on Salt Springs Road (CR 132) between Dawley Road and Duguid Road in the Town of Manlius.

County forces will be setting up a work zone beginning June 26, 2017. This project includes the relining of the existing structure and upgrades to the guiderail. Single lane, alternating traffic controlled by a temporary signal will be utilized for the duration of the project.

As with any roadway project, the Onondaga County Department of Transportation respectfully asks the traveling public to reduce your speed within the work zone, use caution, and be mindful of roadside workers and construction vehicles.

This project is expected to be completed by the end of this construction season.
