**ONONDAGA COUNTY DEPARTMENT OF TRANSPORTATION TO HOLD WEST GENESEE STREET
AND WARNERS ROAD IMPROVEMENT PROJECT PUBLIC INFORMATION MEETING**

The Onondaga County Department of Transportation will hold a Public Information Meeting to discuss roadway improvements to West Genesee Street and Warners Road in the Town of Camillus. The meeting will begin at 6:30 P.M. on Thursday, April 20, 2017 at the Town of Camillus Municipal Building (4600 West Genesee Street Syracuse, NY 13031).

After a brief presentation at 6:30 P.M., engineers will be available at project stations (open house format), offering a welcoming environment for the public to review preliminary plans, ask questions, and provide feedback.

The project is in the preliminary design phase, and the limits of work include West Genesee Street from NYS Route 173 to Westlind Road, and Warners Road from West Genesee Street to Milton Avenue in the Town of Camillus. West Genesee Street and Warners Road will be milled and paved to restore the pavement. As part of the work, shoulders, drainage, striping, and guiderail will be improved, and sidewalk will be constructed where warranted. A concrete box culvert carrying West Genesee Street over Geddes Brook at Westlind Road will also be replaced as part of the work. This project is anticipated to begin at the beginning of the 2018 construction season.

This project is a locally administered federal aid project. It is being progressed by Onondaga County, with involvement from the New York State Department of Transportation and the Federal Highway Administration.

Please advise the Onondaga County Department of Transportation should you need a language interpreter, an assistive listening system, or any other accommodation to facilitate this information. Ed Reichert, Program Title VI Coordinator for the Onondaga County Department of Transportation, can be contacted by telephone at (315) 435-3205, or by e-mail at edwardreichert@ongov.net for more information.
