

This aerial map shows the study area in the Adirondacks. The study site is marked with an orange square near Lake Umbagog. The map includes labels for various locations and features, such as Lake Umbagog, Lake Umbagog, and Lake Umbagog. A scale bar indicates 2000 ft.

Work may be delayed due to inclement weather. As with any roadway project, the Onondaga County Department of Transportation respectfully asks the traveling public to reduce your speed within the work zone, use caution, and be mindful of roadside workers and construction vehicles. For updates on this and other Onondaga County DOT projects, visit our website, or follow us on Facebook.
