PREDETERMINATION OF BENEFITS
Please remember: If you and your dentist are unsure of your contract benefits for a specific course of treatment, make sure with predetermination.

If total charges for a treatment plan exceed an amount which Delta establishes ($300), predetermination is recommended for approval of the charges for payment. You should ask the attending dentist to submit the claim form in advance of performing services. Delta will act promptly in returning a predetermination voucher to you and the attending dentist with verification of the patient’s current eligibility and current availability of benefits with applicable maximums.

The availability of benefits may change subsequent to the date of the voucher due to a change in eligibility status, exhaustion of applicable benefit maximums or application of frequency of procedure limitations.

PAYMENT FOR SERVICES
Payment for services performed for you by DeltaPreferred Option (DPO) dentists are calculated on the basis of the lesser of one of the following: 1) a DPO Maximum Plan Allowance, which is usually less than the Maximum Plan Allowance for DeltaPremier programs or 2) the dentist’s actual fee.

This amount is known as the DPO Allowed Amount. DPO dentists have agreed to accept the DPO Allowed Amount as full payment for services covered by the Contract.

If you visit a DPO dentist, Delta calculates its share of the DPO Allowed Amount (“Delta Payment”) and sends it to the DPO dentist. Delta advises you of any charges not payable by Delta for which you are responsible (“Patient Payment”). The Patient Payment is generally the difference between the Delta Payment and the DPO Allowed Amount — i.e., copayments, deductibles, charges where maximums have been exceeded — and charges for services not covered by the Contract.

Payment for services performed for you by a DeltaPremier dentist is calculated by Delta on the basis of the DPO Allowed Amount. DeltaPremier dentists have agreed to accept the DeltaPremier Allowed Amount as full payment for services covered by the contract. Delta advises you of any charges not payable by Delta for which you are responsible (“Patient Payment”). The Patient Payment is generally the difference between the Delta Payment and the DeltaPremier Allowed Amount. This also includes copayments, deductibles, charges where maximums have been exceeded and services not covered by the Contract.

Payment for services performed for you by a non-participating dentist is also calculated by Delta on a DPO Allowed Amount basis, but Delta pays its Delta Payment to you. You are responsible for payment of the non-participating dentist’s total fee, which may include amounts in addition to the DPO Allowed Amount and services not covered by the Contract.

Your total out-of-pocket payment is least if you to a DeltaPremier Option dentist, more if you go to a DeltaPreferred Option dentist, and likely will be the highest if you go to a non-participating dentist.

COORDINATION OF BENEFITS
If separate dental benefits are available to the employee, spouse, or dependents under other programs, there are specific conditions applicable to determination of payment. The ratio of each carrier’s liability to total cost incurred is reviewed. Payment is made according to the “birthday” rule adopted by most insurance carriers, but in no case does Delta pay in excess of its total contractual obligation, if it were the only carrier involved. If the other carrier determines its benefits first, Delta will pay any difference between the amount paid by the other carrier and the charged for the covered service, to the extent of Delta’s benefit for the given procedure.

CLAIMS AND APPEAL PROCEDURES
Delta Plans attempts to process all claims within a reasonable processing time. If a claim will be delayed more than 30 days, Delta will notify the subscriber in writing stating the reason for delay.

Routine claims questions may be directed in writing to Delta or by calling Delta at (717) 766-8500 or toll free at (800) 932-0783. You can also e-mail questions by accessing the Contact Us section of Delta’s web site at www.MidAtlanticDeltaDental.com.

Any dissatisfaction with adjustments made or denials of payment should be brought to Delta’s attention, and if unresolved to your satisfaction, to the Plan Administrator. The Plan Administrator will advise you of your rights of appeal or other recourse.
