Deputy Chief Henry "Hank" Boynton Award Nomination Form

Chief Henry "Hank" Boynton was a firefighter with the Syracuse Fire Department from 1964 until his death in 1994. Chief Boynton was dedicated to keeping our community a safer place through fire prevention education for youth.

The Boynton Award is presented annually by PROJECT CONCERN during Fire Prevention Week to an individual and/or organization that exemplify the Chief's commitment, leadership, initiative and dedication to reducing the incidence of juvenile fire setting through fire prevention education for youth.

To nominate an individual, group, or organization, please complete the information below including the narrative section explaining how the nominee has modeled Chief Boynton's commitment, leadership, initiative and dedication to juvenile fire setting prevention through education for youth.
