PRE-EMPLOYMENT DRUG TESTING / BACKGROUND INVESTIGATION: May be required for appointment or promotion.

SENIORITY RATING: Seniority points will be added on promotional exam scores to all passing candidates. Seniority rating is based on the length of continuous classified service in the jurisdiction in which you are employed as follows:

Less than 1 year = 0 points

1 year, up to 6 years = 1 point

Over 6 years, up to 11 years = 2 points

Over 11 years, up to 16 years = 3 points

Over 16 years, up to 21 years = 4 points

Over 21 years = 5 points

Seniority points will be calculated at the time of examination.

The promotional examination will be **BAND SCORED**. When a promotion examination is band scored, seniority credits are added to the raw score and not to the final score. Using this formula, the applicable seniority credits are added to the number of questions answered correctly (raw score) of passing candidates. This will result in a "total raw score," from which the final band score is determined. This is a change from the current practice of adding seniority credits to the final score.
