Lead Poisoning Prevention Program

Elevated Blood Lead Levels Among Tested Children by Census Tract

Syracuse, NY, 2023

Data source: NYSDOH LeadWeb. Prepared by: Onondaga County Health Department Division of Community Health, April 2024.

Data notes: Includes unconfirmed fingerstick tests. Excludes tests with unmatched address information (n=26). Location data represent address provided at the time of testing. Census Tracts with less than 10 children tested were suppressed. Census Tracts according to the U.S. Census Bureau, 2020 Decennial Census.

2023 data are provisional. Data presented on this map are based on small numbers and should be interpreted with caution.
