For every question in Part 2 that was answered “moderate to large impact may occur”, or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The County of Onondaga is proposing to sell approximately 5,831 sq ft of surplus County highway property in the Town of Dewitt, identified as a portion of the Kinne Street ROW in the vicinity of 6741-6751 Kinne Street, a County road, as shown on the attached Map. MEMORANDUM OF SUPPORT

Title: AMENDING THE 2024 COUNTY BUDGET TO PROVIDE FOR THE TRANSFER OF FUNDS FROM SALARIES TO PAY FOR ADDITIONAL COSTS ASSOCIATED WITH INCREASED SLUDGE/BIOSOLID DISPOSAL

Purpose: WEP is seeking to transfer funds from Regular Salaries to All Other Expenses for the supplementary costs associated with unpredicted sludge/biosolid disposal. Sludge/biosolid disposal costs have increased due to delays in getting the Metro WWTP sludge dryer fully operational which has resulted in unbudgeted expenses. A transfer of funds is requested in the amount of \$1,000,000.

Summary: The 2024 410 – All Other Expenses budget assumed that the Metro Sludge Dryer would be fully functional by the end of Q1 2024. The dryer, when operational, will remove significant amounts of water from the waste biosolids reducing the tonnage of material to be disposed at a landfill. Unforeseen delays in getting the sludge dryer fully functional has regrettably increased the removal costs for sludge/biosolids resulting in costs exceeding the 2024 Supplies and Materials Budget. To cover costs already incurred, as well as costs projected through the end of this year, a transfer of \$1,000,000 is being requested for the 410 – All Other Expenses account from 101 – Regular Salaries. It is anticipated that a sludge dryer will be fully functional by the end of December 2024.

Fiscal Impact: This will have no impact on the budget – net \$0.

DEPARTMENT PROGRAM AND FINANCIAL INFORMATION SHEET

PURPOSE:

To accept grant funds from the New York State Office of Temporary and Disability Assistance (OTDA) for Onondaga County's Child Poverty Reduction Initiative (CPRI) Program.

OBJECTIVE/ WORK PLAN:

The grant specifics that households within the City of Syracuse who receive or are eligible for Family Assistance (TANF) are to be served with this funding. OTDA has approved using the funds over a three-year period for four specific programs.

1) Expanding the 2Gen Onondaga Generational Poverty Reduction initiative, part of the County Executive's PIE agenda, a comprehensive program to break the cycle of poverty in Onondaga County. This program focuses on helping young parents on temporary assistance achieve long-term self-sufficiency through comprehensive, multigenerational support. Components include mobility mentoring, economic stability through "benefits cliff" supports, comprehensive goal planning in five main areas of family well-being: social capital, economic assets, child development, post-secondary education, and health and well-being. In addition, while working with heads of households, the initiative works with non-custodial parents on employment and parenting. Grant funds will enable Department of Social Services - Economic Security (DSS-ES) to hire ten additional staff for this initiative. We anticipate serving 450 households over a three-year period.

2) Housing Assistance and Network for Community Engagement (CNY CHANCE) - DSS-ES will contract with Homeless and Housing Coalition to operate a landlord incentive and retention service and a tenant navigation service. Landlords who rent to Temporary Assistance clients will have a "one stop/one call" support system to address any tenant issues. Tenants will be able to access Tenant Navigators who will provide information on rights and responsibilities and assist with landlord issues. This model has been successful in Cincinnati, Las Vegas, Omaha and Dallas to expand and sustain permanent housing options for very low income households. We anticipate bringing online 750 new units and supporting 450 tenants over a three-year period.

3) Attendance project focused on school absenteeism - Department of Children and Family Services will lead this program and work in partnership with the Syracuse City School District. The program's goal is to ensure every student can succeed by regularly attending school. To combat chronic absenteeism, the project will embed a full-time Attendance Liaison within 7 schools. This Liaison will partner with the principal, vice principal, social worker, psychologist, and other school personnel to identify and support students struggling with consistent attendance issues. Supports may include transportation assistance, housing and utility support, health and mental health services, clothing, nutritional support and child care assistance. Each Liaison will serve 50 families. We anticipate assisting 1,050 families over a three-year period.

4) Diaper distribution for Temporary Assistance Families - DSS-ES will work with the Diaper Bank of Central New York to procure diapers and Early Childhood Alliance to distribute them. Households with children ages 0 to 3 will receive free diapers. For low-income families that have very limited resources and may have to weigh purchasing diapers versus other necessities such as clothing or food. It is well documented that without an adequate supply of diapers, children are at risk of developing health issues such as diaper rash and infections. Research has shown, however, that an inability to provide necessities for one's child is particularly frustrating and pernicious to the wellbeing of parents. We anticipate serving 1,995 children over a three-year period.

Section 1. Purpose. The County of Onondaga recognizes that it is in the public interest for persons in committed relationships and who share common households to be able to register those qualifying domestic partnership relationships formally, which formal registration process may allow a domestic partner to qualify for certain health, employee, next of kin and other legal benefits and rights.

Section 2. Definitions. For the purposes of this Local Law, the following terms shall have the following meanings:

C. "Domestic Partner" shall mean a person who, with respect to another person:

(i) is formally a party in a domestic partnership or similar relationship with the other person, entered into pursuant to the laws of the United States or any state, local or foreign jurisdiction, or registered as the domestic partner of the person with any registry maintained by the employer of either party or any state, municipality, or foreign jurisdiction; or

Both parties to the partnership must appear with an acceptable form of identification when the Affidavit of Domestic Partnership is filed at the Clerk's Office. Except when one of the parties is incarcerated, in a hospital or other health care facility, or is unable to travel to the Clerk's Office because of a disability, the Affidavit of Domestic Partnership shall be submitted to the County Clerk at the County Clerk's Office. The County Clerk may adopt rules, consistent herewith, to the extent necessary to provide for the registration of Domestic Partners

when one of the partners is incarcerated, in a hospital or health care facility, or unable to travel by reason of disability, which shall be equivalent to the rules applicable to persons in such circumstances who apply for a marriage license.

C. No person shall be eligible to register in the Office of the County Clerk as a Domestic Partner if such person has terminated a previous domestic partnership during the six (6) months prior to the filing of the Affidavit of Domestic Partnership.

Section 4. Form of Declaration. All Affidavits of Domestic Partnership shall be executed and notarized on a form provided by the Office of the County Clerk in accordance with this Local Law. The Affidavit of Domestic Partnership shall contain the following information and shall be in substantially the following form:

We the undersigned, do hereby declare ourselves to be domestic partners. We reside in the County of Onondaga. We are both 18 years of age or older, unmarried and competent to enter into a contract. We are dependent or mutually interdependent on each other for support, live together, are in a close and personal relationship, and intend to remain in the relationship. We are each other's sole domestic partner, have no other domestic partner and intend to remain each other's sole domestic partner. Neither of us has terminated another domestic partnership within the last 6 months. We agree to file an Affidavit of Termination in the event that the domestic partnership is terminated.

Section 5. Amendment of Domestic Partnership. Either Domestic Partner may, on a form provided by the County Clerk, amend an Affidavit of Domestic Partnership filed with the Office of the County Clerk at any time to reflect a change in the information previously provided to the County Clerk.

Section 6. Termination of Domestic Partnership.

A. A domestic partnership shall end:

(i) as of the date that either of the Domestic Partners dies;

(ii) as of the date that either of the Domestic Partners marries; or

(iii) as of the date either or both Domestic Partners file an executed Affidavit of Termination, except that the death of a Domestic Partner shall not automatically terminate any benefits extended by third parties.

B. Either or both Domestic Partners may terminate a registered domestic partnership by filing in the Office of the County Clerk a notarized statement declaring, under the penalty of perjury, that the domestic partnership is terminated, on a form provided by the County Clerk. In the event that

only one of the partners executes the Affidavit of Termination, the terminating partner shall notify the other partner of said termination by Certified Mail, Return Receipt requested to the other partner's last known address, attest thereto, and provide a postal paid receipt as proof of the mailing via Certified Mail, Return Receipt Requested with the terminating party's completed, signed, and notarized Affidavit of Termination.

C. When a domestic partnership has ended, at least one of the partners to the domestic partnership shall file an Affidavit of Termination with the Office of the County Clerk within 30 days thereof.

D. Upon the filing of the Affidavit of Termination, a former partner may cancel a declaration given to any third party by giving such third party a certified copy of the Affidavit of Termination.

Section 7. Fees. The County Clerk may charge a fee of \$35 per domestic partnership registration, amendment, or termination. Upon payment of the aforesaid fee, the filing party(ies) shall receive two certified copies of the applicable document. The fee for obtaining additional copies shall be the applicable fee authorized by this Onondaga County Legislature for such services.

Section 8. Registry. The County Clerk shall maintain a Domestic Partnership Registry consisting of a log of all registrations, amendments and terminations of domestic partnerships by name of each individual and date of filing in a format designed to facilitate public access to such registry. The Domestic Partnership Registry shall be a public record pursuant to the New York State Freedom of Information Law. The County Clerk shall treat any other information of a personally identifying nature relating to any individual as a matter of personal privacy exempt from disclosure under the New York State Freedom of Information Law. Nothing herein shall be construed to prohibit the publication of statistics pertaining to domestic partnership that have been registered with the Office of the County Clerk.

Section 9. Limited Effect and Intent. The intent of this Local Law is to establish a registration process in Onondaga County for domestic partnerships, as that term is defined by New York state law. Nothing in this Local Law shall be deemed to supersede, alter, affect or conflict with any state or federal laws or rules.

Section 10. Severability. If any clause, sentence, paragraph, subdivision, section, or part of this Local Law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this Local Law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstances directly involved in the controversy in which such order or judgment shall be rendered.

Section 11. Effective Date. This Local Law shall take effect immediately upon filing, consistent with the provisions of the New York State Municipal Home Rule Law.
