My name is Beth Schafer and I am a Jail Ministry Advocate. I write to register my dismay at the lack of planning regarding the closing of Jamesville Correctional Facility.

The speed of the vote on this topic and the lack of time devoted to considering how these changes affect detainees and sentenced individuals says to me that the vote should be delayed until we have answer to the questions that arise concerning the future use of the facilities and the affect these changes will have on the incarcerated individuals.

Need an Independent Study before Merging

Onondaga County Legislators,

I am writing to you today to ask you to complete an independent study on how we can safely merge Jamesville and the Onondaga County Justice Center if the study recommends this action before voting to abolish 183 positions and create 51 positions in Resolution No. 6. This seems like an action to discuss during the 2024 budget decisions as these positions have been already funded for 2023.

I also ask you to table the Local Law amending the Onondaga County Charter and Administrative Code Regarding the Onondaga County Sheriff as the voters of Onondaga County approved this language in 2017. Since the voters of Onondaga County voted to approve this in 2017 how can the legislature change this provision without a referendum? There should at least be a public hearing held on this local law.

These two actions are very concerning as this does not show an actual plan for the County's intention to merge the Jamesville Correctional Facility and the Onondaga County Justice Center. If this is the County's goal, where are the studies to show that the Justice Center is the best facility to merge into. It may make more sense to merge people who are incarcerated at the Justice Center to Jamesville. And where is the plan to safely accomplish this merger? I imagine closing an active facility safely would be a multi-year process.

Let's take the time to study this proposal and make a plan to accomplish the best outcome for the people who are incarcerated, Onondaga County employees and taxpayers.

Thank you,

Jail Merger

Mary Handley <mfhandley@gmail.com>

To: Office of the Onondaga County Legislature <OnondagaCountyLegislature@ongov.net>

NOTICE: This email originated from **outside** of Onondaga County's email system. **Use caution** with links and attachments.

Good morning,

Unfortunately, I cannot attend the public comment portion of the meeting since it is mid day of a my work day.

I am a voter and stay educated on issues in the county. My concerns are related to the jail merger. I don't know if this is a good thing or not a good thing but the voters have been given very little information about the merger.

There was no open forum for discussion, there were no other options presented and there was no information presented on what other counties have done in this situation.

Maybe it is the right thing to do but the optics for voters is that the County Executive wanted it and it was pushed through quickly and at the last minute.

As far as voters knew, a plan was put together with the outgoing Sheriff, in the last few weeks that he was in office in December.

The new Sheriff arrives in January and a few weeks later the County Executive calls for a vote. Why did we vote for a Sheriff if the County executive is not going to respect the new office and allow for some time to understand the issues regarding the merger?

For voters, this is the kind of action that turns voters off and enhances the mistrust of politicians. Get it done before the new person shows up (who the voters elected). and don't have any forum for the general public to understand the issue and set up the vote quickly.

And my understanding is that the county budget is at a surplus so the idea that we need to save money immediately, is not the foundation for this vote. We could wait another month or two to have the public understand what is the basis for this vote.

Again, I don't know if this is a good merger or not but I have no data and no comprehensive report from the recently elected Sheriff to understand it. He is the person who I elected to oversee the criminal justice services in the county.

The optics of it for the average voter is that officials that we elected, told us during their election campaigns that they would keep up informed and involved in what is happening in the county but for me, this is one example that my elected officials at all levels are not keeping their promises.

Please vote no today and ask for, at minimum, a report from the Sheriff who we elected to oversee the jails or an independent evaluation of the merger.

Thank you,

Counselors,

Why the rush? It is reasonable to do an in-depth study by the Judicial Commission BEFORE voting. To decide without knowledge of all the ramifications of a jail merger jeopardizes the public safety.

Why the rush? Why not have input from the newly elected Sheriff?

This reeks of partisanship.

Have the courage to be independent of the county executive and be honest about what you would be promoting.

Statement by: Bishop Colette Matthews-Carter

Good afternoon to the Honorable Members of the Onondaga County Legislature, distinguished guests and friends. My name is Bishop Colette Matthews-Carter. I am a life-long resident of Onondaga County. I grew up in the City of Syracuse and I have lived in the Town of Van Buren for the last 12 years. I am a local pastor and immediate past president of the Syracuse Onondaga NAACP. In my professional capacity I serve as the Director of the Center for Dialogue & Action at InterFaith Works CNY.

I am here to lift up February as Black History Month.

Black History Month is an annual celebration of achievements by African Americans and a time for recognizing their central role in U.S. history. Also known as African American History Month, the event grew out of "Negro History Week," the brainchild of noted historian Carter G. Woodson and other prominent African Americans. Since 1976 every U.S. president has officially designated the month of February as Black History Month. Other countries around the world, including Canada and the United Kingdom, also devote a month to celebrating Black History Month.

The story of Black History Month begins in 1915, half a century after the Thirteenth Amendment abolished slavery in the United States. That September, the Harvard-trained historian Carter G. Woodson and the prominent minister Jesse E. Moorland founded the Association for the Study of Negro Life and History, an organization dedicated to researching and promoting the achievements by Black Americans and other peoples of African descent.

Known today as the Association for the Study of African American Life and History, the group sponsored a national Negro History Week in 1926, choosing the second week of February to coincide with the birthdays of Abraham Lincoln and Frederick Douglass. The event inspired schools and communities nationwide to organize local celebrations, establish history clubs and host performance and lectures. (Excerpts from www.history.com Black History Month 2023: Facts, Origins & More)

There is a need for continued awareness. Carter G. Woodson, the originator of Black History Month intended to explore modern Black History as a starting point to deeper explorations beyond the arrival of enslaved Africans in the Americas. Awareness of this history continues to be important because we still see examples of Blackness weaponized against people in our country. One local leader recently suggested that "we are all aware of the many examples of injustice and violence that have occurred against Black people, rising to the forefront of our country's discourse since 2020. Black people, just like all Americans want equity, inclusion, justice and to live freely in this country. The elevation of Black History is so important because people face oppression daily because of their skin color. It informs others of the rich contributions that Black people have made to the world and helps to diminish negative viewpoints of Black Americans, which in the end hurts all people. "

In closing, I encourage the members of the Onondaga County Legislature to lean in, lift up, and celebrate the contributions that my ancestors have made to this country. I ask you to embrace the rich tapestry of diversity that exists within Onondaga County. God Bless Onondaga County and God Bless America!

A RESOLUTION AUTHORIZING THE REPLACEMENT OF VOTING MACHINES IN AND FOR THE COUNTY OF ONONDAGA, NEW YORK, AT A MAXIMUM ESTIMATED COST OF \$3,350,000, AND AUTHORIZING THE ISSUANCE OF \$2,900,000 BONDS OF SAID COUNTY TO PAY COSTS THEREOF

THEREFORE, BE IT RESOLVED, by the affirmative vote of not less than two-thirds of the total voting strength of the County Legislature of the County of Onondaga, New York, as follows:

Section 1. The replacement of voting machines, including incidental costs and expenses, is hereby authorized in and for the County of Onondaga, New York, at a maximum estimated cost of \$3,350,000.

Section 2. The plan for the financing thereof is (i) by the issuance of \$2,900,000 bonds of said County, hereby authorized to be issued therefor pursuant to the provisions of the Local Finance Law, and (ii) by the expenditure of \$450,000 State grants.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid class of objects or purposes is ten years pursuant to subdivision 31 of paragraph a of Section 11.00 of the Local Finance Law.

Section 4. The faith and credit of said County of Onondaga, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. To the extent not available from other sources, there shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such bonds as the same become due and payable.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Chief Fiscal Officer of such County. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Chief Fiscal Officer, consistent with the provisions of the Local Finance Law.

Section 6. All other matters except as provided herein relating to the bonds herein authorized including the date, denominations, maturities and interest payment dates, within the limitations prescribed herein and the manner of execution of the same, including the consolidation with other issues, and also the ability to issue bonds with substantially level or declining annual debt service, shall be determined by the Chief Fiscal Officer, the chief fiscal officer of such County. Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law, and shall otherwise be in such form and contain such recitals, in addition to those required by Section 51.00 of the Local Finance Law, as the Chief Fiscal Officer shall determine consistent with the provisions of the Local Finance Law.

Section 7. The County Executive is authorized to enter into contracts to implement the intent of this resolution. In the event that General Fund Operating Surplus Funds are available at the end of the

fiscal year, and if the Chief Fiscal Officer of Onondaga County deems it fiscally advantageous to use surplus funds rather than borrowing, all or a portion of the cost of the improvements authorized herein shall be paid using such surplus funds. Further, in the event that General Fund Operating Surplus Funds are so utilized, then the authorization to issue bonds provided within this resolution is hereby rescinded accordingly, reduced by the amount of funds utilized.

Section 8. The validity of such bonds and bond anticipation notes may be contested only if:

LOCAL LAW NO. 1 - 2023

A LOCAL LAW AMENDING THE ONONDAGA COUNTY CHARTER AND ADMINISTRATIVE CODE REGARDING THE ONONDAGA COUNTY SHERIFF

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF ONONDAGA, AS FOLLOWS:

Section 1. Findings. The Onondaga County Sheriff is tasked with delivering services as provided for within the Onondaga County Charter, Onondaga County Administrative Code and applicable laws. The nature and scope of services provided by the Sheriff has evolved due to changes in law and policy, resulting in shifting incarcerated individual population trends and the resultant need for closure of the county penitentiary facility. To that end, this Onondaga County Legislature hereby desires to amend the Onondaga County Charter and Administrative Code to enable the Sheriff to address these changes and more effectively coordinate and deliver needed services, allowing for delivery of higher quality services and better allocation of limited resources for the benefit of the residents of Onondaga County.

Section 2. The Onondaga County Charter, being Local Law No. 1 of 1961, as previously amended, hereby is further amended to strike Section 1003 in its entirety and substitute the following:

Section 1003. CHIEF DEPUTY OF CUSTODY.

There shall be a chief deputy of custody, under the supervision of the Office of the Sheriff, who shall be the head of the county jail, appointed by the Sheriff on the basis of administrative experience and qualifications for the duties of the office, consistent with requirements of applicable law. The chief deputy shall have and exercise all the powers and duties now or hereafter conferred or imposed upon a chief administrative officer of a county jail by any applicable law. Such officer shall perform such other and related duties as shall be required or delegated to him by the Sheriff, the County Executive, or County Legislature.

Section 3. Section 10.03 of the Onondaga County Administrative Code, being Local Law No. 1 of 1975, as previously amended, referenced herein as the “Administrative Code”, hereby is further amended to insert the following language at the beginning of Section 10.03 (b):

The Sheriff shall appoint a chief deputy of custody in a manner consistent with applicable laws, including Section 1003 of the Onondaga County Charter. Except as may otherwise be provided in the Charter or this Code, the chief deputy shall: be responsible for the operation, maintenance, supervision, repair, custodial care and security of the Onondaga County jail; be responsible for the receipt, housing, care, custody, control and employment of all inmates sentenced or assigned to the jail or otherwise housed therein; initiate, implement and coordinate programs for the rehabilitation, education and training of inmates sentenced or assigned to such jail or otherwise housed herein; initiate, implement and coordinate programs for the distribution of food and other products manufactured or produced within such jail; and have all the powers and perform all the duties now or hereafter conferred or imposed by law.

Section 4. The Administrative Code is further amended to strike Section 10.04 in its entirety.

Section 5. The Administrative Code is further amended to strike the word “Corrections” from Section 3.03B (2).

Section 6. Except as specifically amended herein, the Onondaga County Charter and Administrative Code shall remain in full force and effect. This local law shall be construed in such a way so as not to diminish or curtail powers held by any elected official within County government.

Section 7. Severability. If any clause, sentence, paragraph, section or part of this local law shall be adjudged by a court of competent jurisdiction to be invalid, the judgment shall not affect, impair or invalidate the remainder hereof, but shall be confined in its operation to the clause, sentence, paragraph or section or part hereof directly involved in the controversy in which the judgment shall have been rendered.

Section 8. Effective Date. This Local Law shall take effect immediately and shall be filed consistent with the provisions of New York State Municipal Home Rule Law.

THEREFORE, BE IT RESOLVED, by the affirmative vote of not less than two-thirds of the total voting strength of the County Legislature of the County of Onondaga, New York, as follows:

Section 1. E911 tower site shelter rehabilitation, including incidental costs and expenses, is hereby authorized in and for the County of Onondaga, New York, at a maximum estimated cost of \$1,091,000.

Section 2. The plan for the financing thereof is by the issuance of \$1,091,000 bonds of said County, hereby authorized to be issued therefor pursuant to the provisions of the Local Finance Law.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid specific object or purpose is ten years pursuant to subdivision 25 of paragraph a of Section 11.00 of the Local Finance Law.

Section 4. The faith and credit of said County of Onondaga, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. To the extent not available from other sources, there shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such bonds as the same become due and payable.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Chief Fiscal Officer of such County. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Chief Fiscal Officer, consistent with the provisions of the Local Finance Law.

Section 6. All other matters except as provided herein relating to the bonds herein authorized including the date, denominations, maturities and interest payment dates, within the limitations prescribed herein and the manner of execution of the same, including the consolidation with other issues, and also the ability to issue bonds with substantially level or declining annual debt service, shall be determined by the Chief Fiscal Officer, the chief fiscal officer of such County. Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law, and shall otherwise be in such form and contain such recitals, in addition to those required by Section 51.00 of the Local Finance Law, as the Chief Fiscal Officer shall determine consistent with the provisions of the Local Finance Law.

Section 7. The County Executive is authorized to enter into contracts to implement the intent of this resolution. In the event that General Fund Operating Surplus Funds are available at the end of the fiscal year, and if the Chief Fiscal Officer of Onondaga County deems it fiscally advantageous to use surplus

funds rather than borrowing, all or a portion of the cost of the improvements authorized herein shall be paid using such surplus funds. Further, in the event that General Fund Operating Surplus Funds are so utilized, then the authorization to issue bonds provided within this resolution is hereby rescinded accordingly, reduced by the amount of funds utilized.

Section 8. The validity of such bonds and bond anticipation notes may be contested only if:

- 1) Such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) The provisions of law which should be complied with the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or
- 3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 9. This resolution shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150-2.
