RESOLUTION NO. 045

MEMORIALIZING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF NEW YORK  
TO BAN HYDROFRACKING, AND REQUESTING THE GOVERNOR TO PURSUE FURTHER  
INDEPENDENT SCIENTIFIC ASSESSMENTS TO DETERMINE THE RISKS ASSOCIATED WITH  
HYDROFRACKING

WHEREAS, the Central New York region faces a potential environmental crisis in the form of hydrofracking, which involves drilling deep horizontal wells into areas of shale, and infusing massive quantities of water and potentially toxic chemicals into the wells to fracture the shale and release the gas; and

WHEREAS, companies are buying land rights from landowners across Central New York with the expectation that New York State will quickly finalize its environmental review and issue regulations allowing hydrofracking in our region; and

WHEREAS, the recently released state environmental review raises serious questions about the ability of the proposed state regulations to protect our natural resources and prevent permanent damage to our environment; and

WHEREAS, the New York State Environmental Conservation Law supersedes local regulation of the gas and solution mining industries, thereby precluding Onondaga County or any other city, county, town or village from regulating gas and oil well drilling operations; and

WHEREAS, the proposed state regulations fail to adequately monitor groundwater near gas wells and fail to detect or remediate contamination of aquifers, thereby posing a threat to individual and public supply wells; and

WHEREAS, the proposed state regulations further fail to provide for an adequate analysis of the chemicals used in the fracking fluids, allowing the use of substances that may be carcinogenic, mutagenic or endocrine disrupters; and

WHEREAS, frequent and heavy truck traffic from hydrofracking operations may cause significant damage to local roads and infrastructure as trucks pass through local municipalities to conduct drilling operations; and

WHEREAS, the constituents of the flowback water from the hydrofracking operations may be unsuitable and unsafe for disposal at a county treatment plant, resulting in potential holding ponds of toxic waste across Central New York; and

WHEREAS, the large quantities of water that must be withdrawn for hydrofracking operations pose a serious and permanent threat to our ecosystem; and

WHEREAS, the potential for contamination of our municipal and individual well-based drinking water and the potential water quality impacts from the migration of chemicals and improper discharge of wastewater directly to the watershed are causes of deep concern to this legislative body; and

WHEREAS, the potential damage to local landscapes and wildlife is incalculable, and the possible threat to air quality and public health from drilling operations is immeasurable; and

WHEREAS, it is necessary to pursue further independent scientific assessments of hydrofracking; now, therefore be it

RESOLVED, that this Onondaga County Legislature hereby requests the state to ban hydrofracking operations pending such further independent scientific assessments; and, be it further

RESOLVED, that this Onondaga County Legislature hereby further requests that the Honorable David A. Paterson, Governor, withdraw from SEQRA review the Draft Supplemental Generic Environmental Impact Statement On The Oil, Gas and Solution Mining Regulatory Program- Well Permit Issuance for Horizontal Drilling And High-Volume Hydraulic Fracturing to Develop the Marcellus Shale and Other Low-Permeability Gas Reservoirs, pending further independent scientific assessments to determine the aggregate protection provided therein concerning the public health, environment and economy of New York State; and, be it further

RESOLVED, that the Clerk of this Legislature herby is directed to transmit a copy of this resolution to the New York State Governor and to the state legislators representing Onondaga County.

RESOLUTION NO. 047

MEMORIALIZING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF NEW YORK  
TO AMEND APPROPRIATE LEGISLATION TO PROVIDE FOR A PORTION OF THE REVENUES  
FROM THE SALE OF FISHING LICENSES TO BE REMITTED TO ONONDAGA COUNTY TO  
SUPPORT THE CARPENTER'S BROOK FISH HATCHERY

WHEREAS, since 1938, the Onondaga County Department of Parks and Recreation has owned and operated a fish hatchery, known as Carpenter's Brook; and

WHEREAS, the New York State Department of Environmental Conservation (DEC) has instituted recommendations for trout stocking, and Carpenter's Brook Fish Hatchery has cooperated with the DEC to provide 100% of the trout stocking to lakes, ponds, and 100 miles of streams in Onondaga County; and

WHEREAS, Onondaga County is the only county in New York State to stock trout in place of the DEC and through this collaboration, Onondaga County has assisted the DEC in achieving its mission, which is to conserve, improve and protect the natural resources and environment, and to prevent, abate and control water, land and air pollution, in order to enhance the health, safety and welfare of the people of the state and their overall economic and social well-being; and

WHEREAS, Onondaga County desires to continue operating Carpenter's Brook Fishery, stocking lakes, ponds and streams at the current level, and to provide the highest quality fishing to Onondaga County residents and visitors; however, Onondaga County alone bears the total cost of fish rearing, stocking, and all other operations at the hatchery, without financial support from the DEC; and

WHEREAS, revenues from the sale of fishing licenses are the primary source of income for the DEC Division of Fish, Wildlife, and Marine Resources, and the sale of fishing licenses in Onondaga County is more than double the per capita average of other counties in the State; and

WHEREAS, annual sales of fishing licenses to Onondaga County residents amount to approximately 34,000 licenses, representing nearly one million dollars in annual revenue for the state; and

WHEREAS, it is the sense of this Onondaga County Legislature that a portion of such revenues should be remitted to Onondaga County to defray the costs associated with its trout stocking activities; now, therefore be it

RESOLVED, that this Onondaga County Legislature requests the New York State Governor and the New York State Legislature to amend appropriate legislation to provide that twenty percent of the annual revenues from the sale of fishing licenses to Onondaga County residents be remitted to Onondaga County to defray the costs of operating Carpenter's Brook Fish Hatchery, provided that the County continues to meet the DEC trout stocking recommendations; and, be it further

RESOLVED, that the Clerk of this Legislature is directed to transmit a copy of this resolution to David A. Paterson, the New York State Governor, and to the representatives of Onondaga County in the New York State Legislature.

RESOLUTION NO. 056

REQUESTING THE NEW YORK STATE COMPTROLLER TO DEPOSIT ALL STATE FUNDS INTO BANKS AND CREDIT UNIONS CHARTERED IN NEW YORK, PARTICULARLY LOCAL BANKS, REQUESTING THE COUNTY EXECUTIVE TO CONTINUE USING LOCAL BANKS FOR COUNTY BUSINESS, AND ENCOURAGING ALL LOCAL GOVERNMENTS AND COUNTY RESIDENTS TO USE LOCAL BANKS AND CREDIT UNIONS TO THE EXTENT PERMITTED BY LAW

WHEREAS, Onondaga County is host to a number of local community banks and credit unions, which rely heavily on customers who deposit funds with them; and

WHEREAS, these local banking institutions provide loans and other financial services to businesses and individuals within Onondaga County; and

WHEREAS, local banking institutions may be examined and insured by the Federal Deposit Insurance Corporation (FDIC), an independent agency created by the Congress to maintain stability and public confidence in the nation's financial system; and

WHEREAS, the financial difficulties surrounding the larger banks, resulting in the federal "bail-out" initiatives, have highlighted the importance of protecting and supporting local banking institutions; and

WHEREAS, unfortunately, despite the belief that the federal aid program would allow the larger banks to increase lending and stimulate the economy, the larger banks are lending less to smaller local businesses; and

WHEREAS, it is the sense of this Onondaga County Legislature that the county's residents would benefit from state and local governments moving the public funds entrusted to them out of the larger banks and depositing such public funds into local community banks and credit unions, chartered within New York State, as such a move would increase lending opportunities to local businesses and individuals, thereby stimulating the local economy; and

WHEREAS, the New York State Comptroller is authorized under New York State Finance Law to designate the banks in which state funds are to be deposited, and pursuant to such authorization, he has created procedures for state agencies to follow with respect to the deposit of such state funds; and

WHEREAS, pursuant to the Onondaga County Charter, the Onondaga County Executive is designated as the County's chief budget officer and, among other things, is empowered to designate banks located within Onondaga County for the deposit of all moneys received by the Chief Fiscal Officer, and, among other things, the Chief Fiscal Officer is empowered to deposit and invest county funds; and

WHEREAS, Onondaga County does use local banks for county transactions, and it is the desire of this Onondaga County Legislature for that practice to continue; now, therefore be it

RESOLVED, that this Onondaga County Legislature hereby requests the New York State Comptroller to modify his procedures for depositing state funds such that state funds shall be deposited into federally insured banks and credit unions chartered in New York State to the maximum extent possible; and, be it further

RESOLVED, that this Legislature hereby further requests the Onondaga County Executive to continue using local banks for transacting county business and depositing county funds to the maximum extent possible; and, be it further

RESOLVED, that this Legislature further requests all local governments and Onondaga County residents to support the local economy by using local banks and credit unions; and, be it further

RESOLVED, that the Clerk of this Legislature is hereby directed to transmit a copy of this resolution to Thomas P. DiNapoli, the New York State Comptroller, and to other interested parties within Onondaga County government.

RESOLUTION NO. 061

REQUESTING THE FEDERAL AND STATE LEGISLATORS WHO REPRESENT ONONDAGA COUNTY TO TAKE LEGISLATIVE ACTION TO COUNTER THE RECENT SUPREME COURT DECISION WHICH STRUCK DOWN SPENDING LIMITS BY CORPORATIONS AND UNIONS IN POLITICAL ELECTIONS

WHEREAS, in a recent decision (Citizens United v. Federal Election Commission, decided January 21, 2010), the United States Supreme Court struck down statutory limits on corporate and union spending in elections, which some are calling a major victory for big business in silencing the interests of everyday citizens; and

WHEREAS, the law at issue, referred to as the McCain-Feingold law, essentially banned the broadcast of certain election broadcasts funded by corporations or labor unions in the thirty days preceding a presidential primary and in the sixty days preceding a general election; and

WHEREAS, this ruling favors corporate influence over democracy, essentially opening the floodgates to unbridled corporate political spending; and

WHEREAS, the Supreme Court ruling will make it more difficult to enact legislation designed to benefit the people by allowing corporations to spend freely to promote special interests in the days immediately preceding elections; and

WHEREAS, this court decision threatens grassroots organizing efforts, while encouraging large corporations to engage in massive spending to foster special interests; and

WHEREAS, it is necessary to take action to restore faith in our election process; and

WHEREAS, various options have been proposed to address the issues raised by this court decision, including creating a single website to catalog information on political spending, requiring the consent of shareholders prior to corporate political spending, requiring the chief executive officer of the corporation to appear in any political advertisement to make the public aware of the corporate sponsorship, imposing spending limits on corporations that have received federal bailout money or that receive federal contracts, and providing sources of public grants for campaigns; and

WHEREAS, even though the Supreme Court decision pertains to federal elections, it calls into question the viability of state campaign finance laws; and

WHEREAS, it is the desire of this Onondaga County Legislature for our elected representatives at the state and federal levels to take immediate action to guard against the possible adverse impacts of this court ruling; now, therefore be it

RESOLVED, that this Onondaga County Legislature hereby memorializes the state and federal legislators representing Central New York to take immediate action to address the issues raised in the United States Supreme Court case of Citizens United v. Federal Election Commission, necessary to restore integrity in the democratic election process as noted herein; and, be it further

RESOLVED, that the Clerk of this Legislature hereby is directed to transmit a copy of this resolution to the elected federal and state legislative representatives who represent Onondaga County.

RESOLUTION NO. 065

MEMORIALIZING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF NEW YORK  
TO REPEAL THE COST RECOVERY TAX ON LOCAL INDUSTRIAL DEVELOPMENT  
AGENCIES

WHEREAS, local Industrial Development Agencies (IDAs) serve as the primary vehicle for the implementation of economic development programs in counties and local communities across New York State; and

WHEREAS, the primary mission of local IDAs is the creation and retention of jobs for New York's residents through innovative, locally-driven and developed programs that serve to make counties and local communities better places in which to invest and grow productive businesses that serve and create environments that are conducive to generating new economic activity, creating new jobs and increasing tax revenue; and

WHEREAS, the 2009-2010 State budget contained a maximum statewide "cost recovery" tax of \$5 million to "reimburse to New York State an allocable share of state governmental costs attributable to the provisions of services to industrial development agencies"; and

WHEREAS, the State Department of Taxation and Finance has sent tax bills to every IDA in the state for amounts corresponding to 4.727% of the gross revenue as reported by IDAs under PARIS for 2008 calendar year, due March 31, 2010; and

WHEREAS, the tax bills received by local IDAs were received long after local IDA budgets were developed and implemented, without the inclusion of this new unanticipated tax in their adopted budgets; and

WHEREAS, the "cost recovery tax" is arbitrarily applied in that its assessment against PARIS revenue data imposes a tax on non-revenue funds, such as PILOT payments and state and federal pass-through grants; and

WHEREAS, imposing a state gross receipts tax on 2008 revenues (which include state and federal government resources) is redundant and punitive; and

WHEREAS, both IDA revenues and non-revenue funds that have fallen subject to this tax would more appropriately be used for economic development, rather than being used to bail out the State during its time of financial crisis; now, therefore be it

RESOLVED, that this Onondaga County Legislature strongly opposes the imposition of the new tax on the gross revenues of local Industrial Development Agencies as a means to help eliminate the state budget deficit; and, be it further

RESOLVED, that this Onondaga County Legislature calls upon the Governor and the State Legislature to repeal this onerous tax on the primary economic development organizations of New York's counties and other local governments - a tax which will take local resources that could better be used to create jobs in our communities in this time of economic crisis; and, be it further

RESOLVED, that the Clerk of the County Legislature hereby is directed to forward this resolution to Governor David A. Paterson and to the New York State Legislators representing Onondaga County.
