MEMORANDUM OF SUPPORT

Title: A PERSONNEL RESOLUTION AUTHORIZING POSITION TITLE MODIFICATION

Purpose: The Onondaga County Department of Water Environment Protection (WEP) has identified critical management positions that require title modifications to better align with their current roles and responsibilities. WEP is seeking legislative authorization to abolish the following existing titles and replace them with more appropriate designations.

1. Employee and Labor Relations Division

- WEP, in coordination with the Department of Personnel, proposes abolishing the Employee Relations Officer (ERO) (L109599) position and replacing it with Administrative Officer (WEP) (both Grade 33).
- The ERO title includes union negotiation duties, which must be performed within the Department of Personnel. The Administrative Officer (WEP) title allows WEP to recruit candidates with the appropriate skills and experience for the role without the constraints of union negotiation duties.

2. Administrative Function – Community Relations and Public Outreach

- To enhance community engagement and public outreach, WEP proposes replacing Project Coordinator (L109178 – Grade 31) with a Director of Community Relations (Grade 35).
- This position will be responsible for developing and implementing strategic communication programs focused on basement backups, community development, recruitment efforts, and construction project updates.

3. Asset Management Function – Fleet Management

- WEP's Equipment Maintenance Supervisor (L105510 – Grade 34) has assumed increasing responsibilities for managing fleet operations across multiple departments, including the Sheriff's Department and County Parks.
- To support expanded GPS fleet management, cloud-based Fleet Asset Management, and proactive maintenance, WEP proposes abolishing the current position and replacing it with a Fleet Manager (Grade 35).

Summary: These adjustments will enable WEP to optimize its workforce, improve efficiency, and ensure that job roles reflect their evolving responsibilities.

Fiscal Impact: There is no increase in authorized, funded positions and no fiscal impact to the 2025 Operating Budget.

RESOLUTION NO. _____

AUTHORIZING THE ONONDAGA COUNTY CENTER FOR FORENSIC SCIENCES TO DONATE
SURPLUS EQUIPMENT TO THE SYRACUSE UNIVERSITY FORENSIC AND NATIONAL
SECURITY SCIENCES INSTITUTE

WHEREAS, the Onondaga County Center for Forensic Sciences (CFS) has in its possession certain surplus laboratory equipment consisting of three traceable jumbo refrigerator/freezer thermometers that are past their useful life and are out of service, but which equipment would be of use to the Syracuse University Forensic and National Security Sciences Institute (FNSSI) for teaching/training purposes; and

WHEREAS, the depreciated fair market value of such CFS surplus equipment is \$0; and

WHEREAS, forensic instruments are specialized equipment acquired for forensic testing purposes and not generally suitable for disposition via public auction; and

WHEREAS, Syracuse University, a non-profit educational organization, through FNSSI, has requested such surplus equipment for educational purposes; now, therefore be it

RESOLVED, that CFS is authorized to donate the aforementioned surplus laboratory equipment to Syracuse University's FNSSI for educational purposes; and, be it further

RESOLVED, that this resolution shall supersede the provisions of Resolution No. 155-1999, as amended, to the extent necessary to carry out the intent of this resolution.

Equipment Donation To FNSSI

PURPOSE:

To donate three Traceable Jumbo Refrigerator/Freezer Thermometers that have depreciated to \$0 to the Syracuse University Forensic and National Security Sciences Institute (FNSSI) for further use in an educational setting.

BACKGROUND:

The Onondaga County Center for Forensic Sciences Laboratories is requesting permission to donate items in surplus which have depreciated to \$0 to the Syracuse University FNSSI. As a non-profit educational organization, FNSSI is in need of equipment and could use items past their useful date as a means of teaching. FNSSI works toward furthering the same vision as the Center for Forensic Sciences Laboratories. As a close partner in the field of forensic science, the Laboratories considers donation to FNSSI the best use of the equipment that has outlived its usefulness in the forensic lab.

The following items are proposed donations:

Item	Qty	Date Out of Service
Traceable Jumbo Refrigerator/Freezer Thermometer	1	10/8/2019
Traceable Jumbo Refrigerator/Freezer Thermometer	1	2/15/2018
Traceable Jumbo Refrigerator/Freezer Thermometer	1	10/6/2020

BUDGET IMPACTS:

There are no budgetary impacts.

 Applicant Inquiry: Property does not have connection to public sewers
 Date of Submission: January 31, 2025

Response

It has been determined that this property is within the Consolidated Sanitary District, however, there is no sewer service available in this area. Kindly update the CSW code for this property to CSW99 (indicating it is within the district but not connected). Additionally, please process a refund for the sewer unit charges paid for tax years 2020 through 2025, as permitted by NYS Law.

SEWER UNIT INQUIRY RESPONSE

Tax Parcel ID: 312,489 083.-01-20.1

 Municipality: Clay
 Special District Code (CSW): CSW 16 (Comm, Inst, Indust)

Applicant:
 Applicant Inquiry: The sewer unit charge increased.
 Date of Submission: January 15, 2025

Response

The original sewer unit assessment for this property was based on meter readings provided by the property's water purveyor. Applicant has provided proof of a water pipe leak requiring replacement that resulted in higher than normal meter readings from the water purveyor. Based on the documentation provided, WEP has calculated the average water meter reading from January 2021 to October 2023 to calculate a corrected sewer unit charge (See document SEUN-25-17 WEP Adjustment Calcs). The yearly average consumption equals 81,667 gallons. Based on this calculation, WEP recommends revising the 2025 sewer unit from 12.8 to 1 unit.

Motion Made By Ms. Gunnip

RESOLUTION NO. _____

MEMORIALIZING NEW YORK STATE TO ENACT LEGISLATION (A3104/S5512) IN RELATION TO EXTENDING THE AUTHORIZATION TO IMPOSE AN ADDITIONAL RATE OF SALES AND COMPENSATING USE TAXES IN ONONDAGA COUNTY, AND REQUESTING AND CONCURRING IN THE PREPARATION OF A HOME RULE REQUEST

WHEREAS, there has been introduced for adoption in the New York State Legislature legislation (A3104/S5512) entitled, “An Act to amend the tax law, in relation to extending the authorization of the county of Onondaga to impose an additional rate of sales and compensating use taxes” authorizing the county of Onondaga to impose an additional 1% rate of sales and compensating use taxes until November 30, 2027; and

WHEREAS, a Home Rule Request is required and necessary before the increase may be authorized by the State Legislature, and the County does not have the power to enact such legislation absent state enactment; now, therefore be it

RESOLVED, that the Onondaga County Legislature does hereby request the New York State Legislature to enact Assembly Bill No. A3104/Senate Bill No. S5512 entitled, “An Act to amend the tax law, in relation to extending the authorization of the county of Onondaga to impose an additional rate of sales and compensating use taxes” and requests and concurs in the preparation and submittal of a Home Rule Request regarding the same; and, be it further

RESOLVED, that the Clerk of this Legislature hereby is directed to send a certified copy of this resolution to the State Legislators representing Onondaga County and to the Governor of New York State, urging action on this request.
