RESOLUTION NO. _____

REQUESTING THE NEW YORK STATE LEGISLATURE AND GOVERNOR TO PROVIDE FUNDING TO ALLOW FOR STUDIES RELATED TO IDENTIFYING OPPORTUNITIES FOR INCREASED EFFICIENCIES, COST SAVINGS, AND MODERNIZATION OF LOCAL GOVERNMENTS WITHIN THE COUNTY OF ONONDAGA

WHEREAS, to make the best use of limited financial resources and to reduce the property tax burden within Onondaga County, municipalities are looking for new and innovative ways to gain greater efficiencies in providing services to their constituents while maintaining the quality level of such services; and

WHEREAS, state support is needed to permit these municipalities to explore and pursue opportunities for cooperation with other government entities and share in the provision of such services, as the costs related to conducting these studies may be prohibitive; now, therefore be it

RESOLVED, that this Legislature hereby requests state support and funding for the implementation of a Commission on Modernizing Local Government within Onondaga County, the funding for which may be administered by Syracuse 20/20, Inc. and Centerstate Corporation for Economic Opportunity; and, be it further

RESOLVED, that such commission will be tasked with the responsibilities of: reviewing and analyzing data regarding the various services provided by local governments within Onondaga County, including the types of services, department structures and work flows, and comparing such data against statutes and regulations to determine the requisite level and nature of service delivery; providing recommendations for efficiencies and increased effectiveness in such service delivery; analyzing the potential for shared services among local governments; and analyzing and making recommendations for consolidation, collaboration, dissolution, reorganization, and other forms of modernizing local governments; and, be it further

RESOLVED, that such commission shall take into account the unique challenges facing the various communities within Onondaga County, including both the suburban portions and the urban core, ensuring adequate representation of each neighborhood with respect to the provision of necessary services; and, be it further

RESOLVED, that upon the funding and creation of the commission, any recommendations made by such commission shall be forwarded to this County Legislature for review and discussion among its members, and if any such recommendation should require approval of the voters through a public referendum in order to become effective, due consideration to such recommendation shall be given; and, be it further

RESOLVED, that the Clerk of this Legislature is hereby directed to cause a copy of this resolution to be transmitted to the Governor's Office, to the offices of the various legislators representing portions of Onondaga County at the state level, and to the office of the New York State Department of State, Division of Local Government Services.

RESOLUTION NO. _____

RESOLUTION OPPOSING THE NEW YORK STATE GOVERNOR'S PROPOSAL TO LIMIT THE ABILITY OF INDUSTRIAL DEVELOPMENT AGENCIES TO GRANT STATE SALES TAX EXEMPTIONS AS PART OF LOCAL ECONOMIC DEVELOPMENT EFFORTS

WHEREAS, currently, an Industrial Development Agency ("IDA") may grant exemption from New York State sales and use taxes for projects that the IDA determines advances job opportunities, health, general prosperity and economic welfare of the inhabitants of the county, region and the state; and

WHEREAS, IDAs can provide that sales tax exemption without State approval but must give notice to the State of the agent/project operator's appointment; and

WHEREAS, IDAs are uniquely created and organized to cooperate with local economic development groups and deal with state agencies, local businesses, job retention, job creation and grant inducements for the economic development and stimulation of economies of all sizes; and

WHEREAS, Governor Cuomo's proposed 2013-2014 Executive Budget contains a provision to restrict the authority of IDAs to provide State sales and use tax exemptions, in the following manner:

An IDA would grant a State sales tax exemption only to an agent or project operator that has been certified as a participant in the Excelsior Jobs Program, or is a business that would be eligible to participate in the Program;

Eligibility in the Program would be limited to certain types of firms, with specific criteria for job creation and capital investment for each type of firm;

Before an IDA could award a State sales tax exemption, it would need to receive a determination from the Commissioner of Economic Development, in consultation with the Regional Economic Development Council, that the benefit plan is consistent with regional economic development strategies;

An IDA would be prevented from providing a State sales tax exemption greater than that approved by the Commissioner of Economic Development;

An agent or project operator would have to submit a claim for credit or refund to obtain a State sales tax exemption;

An IDA would be required to send notice to the State Tax Department when its appointment of an agent/project operator has expired or been revoked;

An IDA would need to remit to the State any payments from a payment in lieu of taxes (PILOT) agreement for State sales and use taxes;

If an IDA recaptures State sales and use tax monies from its agent or project operator, it would be required to turn such monies over to the NYS Commissioner of Tax and Finance; and

WHEREAS, the proposed bill would become effective immediately and apply to any IDA project, benefits or PILOT agreements established or revised on or after the effective date of the bill; and

WHEREAS, this Onondaga County Legislature wishes to express its opposition to this proposal by adopting this resolution; now, therefore be

RESOLVED, that this Onondaga Legislature hereby opposes Governor Cuomo's proposal to restrict the authority of IDAs to provide State sales and use tax exemptions as set forth in the Governor's 2013-14 proposed state budget, and this Onondaga County Legislature calls for the New York State Legislature to reject these reforms due to the detrimental impact that would be had upon local economic development and job creation efforts; and, be it further

RESOLVED, that the Clerk of this Onondaga County Legislature hereby is directed to transmit copies of this resolution to Governor Andrew Cuomo, the New York State Legislature, the ten regional economic development councils, the New York State Economic Development Council (NYS EDC) and all others deemed necessary and proper.

RESOLUTION NO. _____

MEMORIALIZING OPPOSITION FOR MANDATED FIREARM LIABILITY INSURANCE AS
PROPOSED BEFORE THE STATE ASSEMBLY (A.3908)

WHEREAS, the Second Amendment guarantees individuals the right to own firearms and to use such weapons for lawful purposes; and

WHEREAS, legislation has been introduced to the New York State Assembly that would require firearm owners to obtain and maintain liability insurance in an amount not less than one million dollars, and such legislation would further prohibit legal ownership of firearms in the event that such insurance is not maintained; and

WHEREAS, the cost of obtaining such insurance may be prohibitive to certain individuals, and the application of this proposed law may have a disparate impact on classes of citizens; and

WHEREAS, policy premium rates are typically set by private insurers using actuarial data, which would likely result in different rates for different classes of citizens; and

WHEREAS, it is the sense of this Legislature that the proposed law would not be in the best interests of the citizens residing within Onondaga County, as the financial burden of maintaining such insurance may act as a disincentive for registering firearms and owning them legally and interfere with the enjoyment of constitutional rights; now, therefore be it

RESOLVED, that this Legislature hereby memorializes its opposition for Bill No. A.3908, where such legislation would require firearm owners to obtain and maintain liability insurance; and, be it further

RESOLVED, that the Clerk of this Legislature is hereby directed to cause a copy of this resolution to be transmitted to the various individuals representing Onondaga County at the state level.

RESOLUTION NO. _____

**REQUESTING THE ONONDAGA COUNTY SHERIFF TO TAKE IMMEDIATE ACTION TO
REDUCE THE DELAYS AND THE BACKLOG IN PROCESSING PISTOL PERMIT
APPLICATIONS FOR ONONDAGA COUNTY CITIZENS**

WHEREAS, this Onondaga County Legislature is advised that there is a severe backlog in the processing of pistol permit applications in the Onondaga County Sheriff's Office, with over 700 citizens waiting to get appointments to process their pistol permit applications; and

WHEREAS, given the recent New York State enactment regarding gun control legislation, it is believed that there will be a vast increase in the number of citizens seeking pistol permits; and

WHEREAS, this Onondaga County Legislature is further advised that Onondaga County citizens must now allow an inordinate amount of time - up to fourteen months- to even get an appointment with the Sheriff's Office, which is a necessary part of the pistol permit application process; and

WHEREAS, this Onondaga County Legislature is concerned about the ability of the public to exercise its Second Amendment rights to keep and bear arms, and is equally concerned for the safety of the citizens who seek to exercise those constitutional rights and obtain a pistol permit; and

WHEREAS, this Onondaga County Legislature sought to address this excessive backlog and undue waiting period during its adoption of the county budget, by making available to the Sheriff funds in the amount of \$70,000 for the purchase of a computer system to expedite the pistol permit application process; and

WHEREAS, the Public Safety Committee of this County Legislature has requested the Sheriff to address this matter and to make it a priority of the Sheriff's Office, all to no avail; and

WHEREAS, it is critical to this Onondaga County Legislature that the Sheriff properly staff this program and take immediate measures to ensure that the delays and backlog are not the fault of the County; and

WHEREAS, such undue, fourteen-month delays are burdensome on the public, as the applicant's fingerprint and background checks are only valid for sixty days, and the applicant's required character witnesses may no longer be available at the end of the drawn out application process; and

WHEREAS, it is the goal of this County Legislature for the Sheriff to take such measures as are required to reduce the backlog and time required to process pistol permit applications, including reducing the fourteen-month period to a period not to exceed two months, and this Legislature seeks to work collaboratively with the Sheriff on a plan to address these issues of public concern; now, therefore be it

RESOLVED, that this Onondaga County Legislature hereby requests and encourages the Onondaga County Sheriff to take immediate action to reduce the delays and backlog in processing pistol permit applications, and to make this an issue of top priority for his Office; and, be it further

RESOLVED, that this Legislature further requests the Sheriff to put in place any necessary measures, including moving staff and implementing the computer system previously authorized by this Legislature, as may be required to meet the goals expressed herein; and, be it further

RESOLVED, that the Sheriff likewise is requested to submit to the Public Safety Committee of this Legislature regular updates addressing the waiting period and the backlog of applications, and the measures taken to meet the goals expressed herein, particularly reducing the fourteen-month period to a two-month period, with the first report to be made at the April committee meeting.

RESOLUTION NO. _____

MEMORIALIZING OPPOSITION TO THE NEW YORK SAFE ACT

WHEREAS, the right of the people to keep and bear arms is guaranteed as an individual, inalienable right under the Second Amendment to the United States Constitution; and

WHEREAS, this right is exercised responsibly by the law abiding people of Onondaga County; and

WHEREAS, members of the Onondaga County Legislature, being elected to represent the people of Onondaga County, are duly sworn by their oath of office to uphold the Constitution of the United States; and

WHEREAS, the Governor, members of the New York State Assembly, and the New York State Senate, being elected by the people of New York State, are duly sworn by their oath of office to uphold the Constitution of the United States; and

WHEREAS, the enactment of the NY SAFE Act (Chapter 1 of the Laws of 2013) has engendered significant controversy over both the process by which it was enacted and many provisions contained within it; and

WHEREAS, the Governor of the State of New York unnecessarily and unjustifiably issued a message of necessity to circumvent the requirement that legislation mature for a period of at least three days; and

WHEREAS, the legislation was passed without meaningful public input critical to the democratic process and in a manner necessarily precluding such input; and

WHEREAS, members of the Onondaga County Legislature find reason to oppose both the validity of various provisions of the act under the United States Constitution and the effectiveness of such provisions to enhancing public safety at the expense of law abiding citizens' rights; and

WHEREAS, the New York State Association of Counties, the New York State Sheriffs' Association and New York State Association of County Clerks have opposed the new unfunded mandates included in the legislation; and

WHEREAS, while there are certain objectives of the legislation that the Onondaga County Legislature finds necessary, such as making schools safer, improving the mental health system, strengthening and enforcing Kendra's Law and Mark's Law, increasing penalties for the illegal use of guns and protecting the privacy of pistol permit holders, by-and-large, we find the legislation does little more than negatively impact lawful gun ownership; and

WHEREAS, due to the flawed process of passage of the NY SAFE Act, as well as the infringement upon constitutionally protected Second Amendment rights, Court action to suspend the entirety of the NY SAFE Act may result in the suspension of those limited provisions, including Mark's Law and Kendra's Law that have merit to protect the public; and

WHEREAS, the legislative process must be recommenced so that individual pieces of legislation be reviewed, debated, considered and voted upon as individual bills as opposed to combining many varied pieces of legislation under the NY SAFE Act; and

WHEREAS, the Onondaga County Legislature is deeply concerned that the NY SAFE Act fails to adequately address means to prevent gun related crimes in urban areas within the State of New York; now, therefore be it

RESOLVED, the Onondaga County Legislature hereby requests the Governor, the State Assembly and the State Senate to consult with public safety officials and experts in the field of crime prevention and dedicate time, consideration, and concerted efforts to draft legislation specifically targeted to prevent gun related crimes in the State's urban centers; and, be it further

RESOLVED, on the basis of opposition to multiple provisions which infringe upon Constitutional rights of law-abiding citizens to keep and bear arms, that the Onondaga County Legislature does hereby request repeal of the NY SAFE Act (Chapter 1 of the Laws of 2013); and, be it further

RESOLVED, that the Onondaga County Legislature strongly encourages members of the New York State Legislature to undertake a democratic process, including public hearings, to address the issues of guns and violence in ways that will produce meaningful improvements to the public's safety and overall well-being; and, be it further

RESOLVED, that the Clerk of this Legislature is hereby directed to transmit this resolution to the New York State Governor and to the New York State Legislators representing Onondaga County.
