; and, be it further

RESOLVED (4), provided, however, that if at any time during the period of January 1, 2011 through December 31, 2020 there is no Additional Rate in effect that authorizes a distribution as set forth in the Resolved Clause immediately preceding (the "agreed distribution"), and such Additional Rate with the agreed distribution is not in effect because:

- a. the County fails to enact the appropriate legislation to request authorization for such Additional Rate with the agreed distribution, whether such legislation be a memorializing resolution or a home rule resolution, as required by the State, and the State fails to enact any sales and compensating use tax in addition to the three percent sales and compensating use tax ("additional tax"), then the distribution of the net collections from the three percent sales and compensating use tax as provided for in the first Resolved Clause of this resolution is hereby amended to reduce the amount set aside for the County by thirty percent and to set aside and allocate said thirty percent to the City for a period commencing on the first day on or after December 1, 2010 in which there is no Additional Rate in effect with the agreed distribution and continuing either (i) throughout the term of the Agreement, or (ii) until the County enacts the legislation required by the State (whether such legislation be a memorializing or home rule resolution), the State enacts legislation authorizing the County to impose the Additional Rate with the agreed distribution, and the County imposes the Additional Rate with the agreed distribution and the same is in effect in Onondaga County, or (iii) as otherwise provided for in paragraphs d, e and f below as may be applicable; or
- b. the County fails to impose the Additional Rate with the agreed distribution, despite the State having properly enacted legislation authorizing such imposition and distribution, then the distribution of the net collections from the three percent sales and compensating use tax as provided for in the first Resolved Clause of this resolution is hereby amended to reduce the amount set aside for the County by thirty percent and to set aside and allocate said thirty percent to the City for a period commencing on the first day on or after December 1, 2010 in which there is no Additional Rate in effect with the agreed distribution and continuing either (i) throughout the term of the Agreement, or (ii) until the County enacts legislation imposing the Additional Rate with the agreed distribution and the same is in effect in Onondaga County, or (iii) as otherwise provided for in paragraphs d, e and f below as may be applicable; or
- c. the County enacts the appropriate legislation to request authorization for the Additional Rate with the agreed distribution, whether such legislation be a memorializing resolution or a home rule resolution, required by the State, but the State fails to enact legislation authorizing the imposition of any additional tax, then the distribution of the net collections from the three percent sales and compensating use tax provided for in the first Resolved Clause of this Resolution is hereby amended to reduce the amount set aside for the County by twenty percent and to set aside and allocate said twenty percent to the City for a period commencing on the first day on or after December 1, 2010 in which there is no additional tax in effect in Onondaga County and continuing either (i) throughout the term of the Agreement, or (ii) until such time as there is in effect in Onondaga County the Additional Rate with the agreed distribution, or (iii) as otherwise provided for in paragraphs d, e and f below as may be applicable; or
- d. the County enacts the appropriate legislation to request authorization for at least the Additional Rate with the agreed distribution, whether such legislation be a memorializing resolution or a home rule resolution, as required by the State, and the State enacts legislation at a rate higher than the Additional Rate ("the additional excess tax"), then the County has the option of imposing the additional excess tax as authorized by the State; in the event that the County imposes the additional excess tax as authorized by the State, then the net collections from any amount

imposed at the rate greater than the Additional Rate shall be allocated and distributed to the County at a rate of 75% of said net collections and to the City at a rate of 25% of said net collections (the "agreed excess distribution"), and the City or County, as the case may be, shall remit any amount received by said party that is greater than the agreed excess distribution to the other party; alternatively, in the event that the County fails to impose the additional excess tax, then the distribution of the net collections from the three percent sales and compensating use tax provided for in the first Resolved Clause of this Resolution is hereby amended to reduce the amount set aside for the County by twenty percent and to set aside and allocate said twenty percent to the City for a period commencing on the first day on or after December 1, 2010 in which there is no additional tax in effect in Onondaga County and continuing either (i) throughout the term of the Agreement, or (ii) until such time as there is in effect in Onondaga County the Additional Rate with the agreed distribution, or (iii) as otherwise provided for within paragraphs e or f below as may be applicable. Provided, however, should the State, at any time, enact an additional excess tax separate and apart from said Additional Rate, the County has the option to impose said additional excess tax as provided for in this paragraph "d". In the event that the County elects not to impose the same, then the net collections from the three percent sales and compensating us tax provided for in the first Resolved Clause and any additional rate in effect shall remain unchanged; or

- e. the County enacts the appropriate legislation to request authorization for the Additional Rate with the agreed distribution, whether such legislation be a memorializing resolution or a home rule resolution, as required by the State, but the State enacts legislation at the Additional Rate with a greater percentage of said Additional Rate to be distributed to the City than provided for in the agreed distribution, then the County has the option of imposing the Additional Rate as authorized by the State; in the event that the County imposes the Additional Rate as authorized by the State, the City shall remit to the County funds in an amount equal to the amount that the agreed distribution to the City exceeds the percentage afforded the City under the agreed distribution and the distribution of the net collections from the three percent sales and compensating use tax shall be as provided for in the first Resolved Clause of this Resolution; alternatively, in the event that the County fails to impose said Additional Rate with the different distribution, then the distribution of the net collections from the three percent sales and compensating use tax provided for in the first Resolved Clause of this Resolution is hereby amended to reduce the amount set aside for the County by twenty percent and to set aside and allocate said twenty percent to the City for a period commencing on the first day on or after December 1, 2010 in which there is no additional tax in effect in Onondaga County and continuing either (i) throughout the term of the Agreement, or (ii) until such time as there is in effect in Onondaga County the Additional Rate with the agreed distribution, or (iii) as otherwise provided for within paragraphs d or f herein as may be applicable; or
- f. the County enacts the appropriate legislation to request authorization for the Additional Rate with the agreed distribution, whether such legislation be a memorializing resolution or a home rule resolution, as required by the State, but the State enacts legislation at the Additional Rate which provides for a distribution to the City which is less than the agreed distribution, then the County has the option of imposing the Additional Rate as authorized by the State; in the event that the County imposes the Additional Rate as authorized by the State, the distribution of the net collections from the three percent sales and compensating use tax provided for in the first Resolved Clause of this Resolution hereby is amended to reduce the amount set aside for the County by an amount equal to the difference between (A) the amount allocated to the City under the agreed distribution and (B) the amount allocated to the City in said state legislation, and said amount shall be set aside and allocated to the City, provided however that in no event shall said allocation of the three percent collections exceed twenty percent of the County's share of said

three percent net collections; alternatively, in the event that the County fails to impose the Additional Rate as authorized by the State, then the distribution of the net collections from the three percent sales and compensating use tax provided for in the first Resolved Clause of this Resolution is hereby amended to reduce the amount set aside for the County by twenty percent and to set aside and allocate said twenty percent to the City for a period commencing on the first day on or after December 1, 2010 in which there is no additional tax in effect in Onondaga County and continuing either (i) throughout the term of the Agreement, or (ii) until such time as there is in effect in Onondaga County the Additional Rate with the agreed distribution, or (iii) as otherwise provided for within paragraphs d or e above as may be applicable.

In any event, with respect to the foregoing, the sole remedy shall be as stated hereinabove, and the City may not exercise its prior rights pursuant to the New York State Tax Law, and the distribution of the net collections from the three percent sales and compensating use tax shall remain as provided for in the first Resolved Clause of this Resolution except as is specifically provided for in this section; and, be it further

RESOLVED (5), that the County Executive is authorized to enter into contract(s) with the City to pay to the City official designated by the City any amounts owed to the City School District for educational purposes within the City as provided for in the first Resolved Clause of this Resolution, said contract to be subject to the approval of the County Attorney; and, be it further

RESOLVED (6), that the allocation and distribution of funds provided by the first RESOLVED clause of this resolution, which amends Section 14(a) and (b) of Resolution No. 372-67, as amended, shall not take effect until January 1, 2011 and the New York State Comptroller has approved said contract; and, be it further

RESOLVED (7), that if the City of Syracuse fails to authorize and execute the contract(s) as set forth in Resolved Clauses 1, 2, 3 and 4 with the County of Onondaga by 11:59 p.m., May 24, 2010, this resolution shall be deemed rescinded, without further action of this Onondaga County Legislature; and, be it further

RESOLVED (8), that the Onondaga County Legislature hereby reaffirms the repeal of the second unnumbered paragraph of Section 17 of Resolution No. 372 dated September 11, 1967, as amended, as set forth in the tenth RESOLVED clause of Resolution No. 201 adopted June 14, 2000; and, be it further

RESOLVED (9), that all portions of Resolution No. 372 adopted on September 11, 1967, as amended, except as amended herein, shall in all other respects be affirmed; and, be it further

RESOLVED (10), that pursuant to New York State Tax Law Section 1262(e), notice hereby is afforded to the City of Syracuse and to all towns, villages and school districts in Onondaga County that the net collections set aside for allocation and distribution to such city, towns, villages and school districts by this resolution terminate and are eliminated effective December 31, 2020, after which time no such net collections will be allocated and provided to the City, towns, villages or school districts and all such net collections shall be retained by the County; and, be it further

RESOLVED (11), that the sole parties to any agreement authorized by this resolution shall be the City of Syracuse and the County of Onondaga, and notice hereby is afforded to any other entity, including, but not limited to, all towns, villages and school districts in Onondaga County, that such entity is not a beneficiary of said contract(s), and that such entity has not been granted nor extended by this resolution, the contract(s) authorized by this resolution, or otherwise, any actionable rights under said contract(s) or any other remedy at law or equity; and, be it further;

RESOLVED (12), that the Chief Fiscal Officer shall take steps to reconcile the monies to be distributed at the end of each calendar year; and, be it further

RESOLVED (13), that this resolution shall be liberally construed to effectuate the intent of this resolution as set forth above; and, be it further

RESOLVED (14), that if any clause, sentence, paragraph or section of this resolution shall be adjudged by a court of competent jurisdiction to be invalid, such adjudication shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, section, paragraph or sentence thereof directly involved in the proceeding in which such adjudication shall have been rendered; and, be it further

RESOLVED (15), that the Clerk of this Legislature hereby is directed to send certified copies of this resolution to the City of Syracuse, to the towns and villages in Onondaga County, and to all school districts in Onondaga County.

RESOLUTION NO. 104

MEMORIALIZING THE GOVERNOR OF NEW YORK STATE AND THE NEW YORK STATE
LEGISLATURE TO REVISE ITS STATE MEDICAID PLAN TO ELIMINATE THE OPTIONAL
BENEFITS AND TO REDUCE OVERALL SPENDING, THEREBY PROVIDING RELIEF TO
TAXPAYERS

WHEREAS, New York State ranks among the highest in the country with respect to the amount spent on Medicaid costs annually, and is reported to have paid \$44,339,402,218 in FY2007 toward such costs; and

WHEREAS, the gross cost of the Medicaid program, including the share paid by the federal, state, and county governments and the administration costs, was \$698,000,000 in Onondaga County for 2009; and

WHEREAS, in 2010, for its share of the Medicaid program costs, Onondaga County would have budgeted \$97,000,000 in Medicaid costs, but the federal government contributed \$13,300,000 in stimulus money toward such costs; and

WHEREAS, this staggering figure will likely be larger for the 2011 budget, and it is not likely that the County will receive the additional federal contribution to offset it; and

WHEREAS, although the counties are required to contribute to this overwhelming cost, the counties do not have control over which benefits are provided to Medicaid recipients; and

WHEREAS, New York State submits an annual plan to the federal government, and chooses in such plan to make available many optional benefits to those eligible for Medicaid, and then passes the cost for such benefits on to the county governments; and

WHEREAS, year after year, the taxpaying residents of this county have been forced to bear the ever-increasing financial burden of the Medicaid costs, but these residents can no longer afford such increases to their property taxes; and

WHEREAS, because mandated Medicaid costs comprise such a significant portion of the available county budget, counties are forced to make painful cuts in other programs and services to their residents, to the detriment of the region; now, therefore be it

RESOLVED, that this Onondaga County Legislature hereby formally protests the practice of the New York State lawmakers, by which the State lawmakers enact legislation mandating the provision of certain services and then charge to the local governments the costs for such services; and, be it further

RESOLVED, that this Onondaga County Legislature emphatically requests the New York State government to revise its annual Medicaid Plan to eliminate the optional benefits and to reduce its overall spending on Medicaid costs, thereby providing much-needed relief to the taxpaying residents of Onondaga County, and restoring to county governments throughout the state greater control over their budgets; and, be it further

RESOLVED, that the Clerk of this Legislature is hereby directed to send a copy of this resolution to David A. Paterson, the Governor of New York State, and to the several legislators representing Onondaga County in the New York State Legislature.

MEMORIALIZING THE GOVERNOR OF NEW YORK STATE AND THE NEW YORK STATE LEGISLATURE TO REFUSE TO ADOPT THE PROPOSAL TO SHIFT COSTS ASSOCIATED WITH MEDICAID DISALLOWANCES TO THE LOCAL GOVERNMENTS

WHEREAS, Medicaid is a federal, state and local health care program whose costs and administration represents the largest component of the state and local fiscal relationship in New York, currently totaling over \$51 billion annually; and

WHEREAS, the Governor's proposed budget would shift the cost of federal penalties and disallowances to local governments, which is inconsistent with the original Medicaid Cap agreement; and

WHEREAS, according to the current Medicaid Cap agreement, the State is responsible for disallowed claims and receives one hundred percent of any recoveries; however, the proposed budget makes local governments, and their taxpayers, responsible for covering the cost of any disallowance, while still allowing the State to continue to keep one hundred percent of any fraud or waste recoveries; and

WHEREAS, all Medicaid services provided by counties are approved as part of the Medicaid State Plan submitted by the State to the federal government; and

WHEREAS, the federal government continues to tighten its oversight of federal Medicaid spending, thereby increasing the likelihood of disallowances due to the state's having changed the rules in the middle of the process versus abuse or negligence on the part of a billing agent or provider; and

WHEREAS, the proposed shifting of the cost and responsibility for disallowed Medicaid claims to local governments and refusal of the State government to permit the local governments to receive payments of any fraud or waste recoveries would present another unfair and unjust unfunded mandate upon already overburdened local governments, which increases the pressures on local governments to increase real property taxes on taxpayers who are already struggling from the weight of overwhelming taxes; now, therefore be it

RESOLVED, that this Onondaga County Legislature hereby memorializes the Governor of the State of New York and the New York State Legislature to reject the budget proposal that would shift the cost of federal Medicaid penalties and disallowances to local governments; and, be it further

RESOLVED, that this Onondaga County Legislature hereby further memorializes the Governor of the State of New York and the New York State Legislature to not implement penalties and civil fines against local governments stemming from Medicaid audits that are largely the result of technical mistakes, or had been acceptable practice at the time the Medicaid service was delivered; and, be it further

RESOLVED, that the Clerk of this Legislature is hereby directed to send a copy of this resolution to David A. Paterson, the Governor of New York State, and to the several legislators representing Onondaga County in the New York State Legislature.

RESOLUTION CALLING ON THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF
NEW YORK TO ENFORCE THE COLLECTION OF SALES TAXES ON TOBACCO PRODUCTS
AND MOTOR FUEL SOLD TO NON-INDIANS ON INDIAN LANDS

WHEREAS, local governments depend upon sales tax revenues to deliver and fund a wide range of critical programs and services necessary for the health, welfare and safety of their citizens; and

WHEREAS, sales tax collections also provide a significant revenue source for the State of New York to fund programs for the benefit of the residents, governments and schools districts; and

WHEREAS, local governments across the State York are facing unprecedented challenges in meeting current funding needs; and

WHEREAS, due to the rate at which sales and excise taxes are levied on tobacco products and motor fuels, both classes of product generate significant revenue for the State of New York, counties, cities, towns and villages across New York State; and

WHEREAS, Indian enterprises across New York State do not, on their own initiative, collect and remit to the State of New York or to local governments any sales and excise taxes on sales of tobacco products or motor fuel to non-Indians; and

WHEREAS, failure to collect these taxes on sales to non-Indians deprives the State of New York and local government of sales tax revenues which are desperately needed to continue delivering the current level of programs and services, while keeping property taxes under control; and

WHEREAS, failure to collect these taxes further creates an unfair business environment for non-Indian retailers across the State of New York by diverting business to Indian enterprises and giving Indian retailers an unfair competitive advantage; and

WHEREAS, while the New York State Tax Law was amended to require wholesalers to pay the tax earlier in the distribution scheme to facilitate the collection of cigarette taxes from Indian sales to non-Indians, the State government has refused to take steps needed to enforce the law and tobacco sales and motor fuel sales to non-Indians on Indian lands remain untaxed; and

WHEREAS, it is the desire of this Onondaga County Legislature for the State to take needed measures to begin the collection of those taxes; now, therefore be it

RESOLVED, that the Onondaga County Legislature hereby calls upon the Governor and the Legislature of the State of New York to take needed measures such to provide for the collection of sales and excise taxes on sales of tobacco and motor fuel by Indian enterprises to non-Indians; and, be it further

RESOLVED, that the Clerk of this Legislature hereby is directed to transmit this resolution to the Governor and to the State Legislators representing Onondaga County, requesting them to implement resolution.

RESOLUTION NO. 113

AMENDING RESOLUTION NO. 312 - 2009 RELATED TO GRANTING AUTHORIZATION FOR ONONDAGA COUNTY TO PAY THE DIFFERENCE IN PAY BETWEEN MILITARY PAY AND BASE COUNTY SALARY TO COUNTY OFFICERS AND EMPLOYEES WHILE PERFORMING ORDERED MILITARY DUTY

WHEREAS, the New York State Military Law provides certain rights to public officers and employees absent on military duty as members of Reserve Forces or Reserve components of the Armed Forces of the United States; and

WHEREAS, pursuant to the Onondaga County Personnel Rules, county officers and employees on authorized military leave are entitled to all the rights and privileges set forth in said Military Law; and

WHEREAS, notwithstanding those rights and benefits, calls to active duty often impose financial hardship on those summoned and their dependents; and

WHEREAS, by Resolution No. 312 - 2009, this Onondaga County Legislature authorized the County to pay the difference between military pay and county salary to county officers and employees performing ordered military duty through December 31, 2009, and within such resolution it defined "military pay" so as to include military base pay, plus any other financial allowances made by the military to the employee as compensation for said active duty service; and

WHEREAS, this definition of "military pay" wrought further hardship on the county officers and employees on authorized military leave; and

WHEREAS, it is the desire of this Legislature to amend Resolution No. 312 - 2009 to remove from the definition of "military pay" any reference to the other financial allowances made by the military to the employee as compensation for said active duty service; now, therefore be it

RESOLVED, that Resolution No. 312 - 2009 is hereby amended to strike the second resolved clause in its entirety and to substitute therefor the following language:
