RESOLUTION NO. 126

AUTHORIZING THE COUNTY EXECUTIVE TO ENTER INTO INTERMUNICIPAL AGREEMENTS RELATED TO THE CARE COORDINATION PROGRAM, IN WHICH THE ONONDAGA COUNTY DEPARTMENT OF MENTAL HEALTH IS TO BE A PARTICIPANT

WHEREAS, in accordance with New York State Mental Hygiene Law Article 41, each county mental health department is responsible for engaging in a process for planning, developing, and providing financial support for community-based services for persons diagnosed with either mental illness, a developmental disability, or alcoholism and substance abuse; and

WHEREAS, the county mental health departments are cooperating with each other, the New York State Office of Mental Health, local provider organizations and service recipients to create the "Care Coordination Program", and such program is intended to develop and implement an inter-related set of initiatives to identify and serve high needs individuals; to support person-centered, recovery-focused service planning, provide care coordination; to provide complex care management; to identify best practices; and to monitor the cost, quality and effectiveness of service to adults diagnosed with serious mental illness and/or chemical dependency; and

WHEREAS, these participants, including the Onondaga County Department of Mental Health, have already been working together on an informal basis to create and develop the Care Coordination Program, and it is now the participants' intent to formalize their collaboration by executing an intermunicipal agreement with each other; and

WHEREAS, the informal Care Coordination Program has achieved significant results for participating service recipients in Onondaga County, marked by improvement in recipient-reported quality of life, increases in gainful activity, and fewer emergency room visits, hospitalizations, and arrests; and

WHEREAS, in addition, Medicaid costs for participating service recipients in Onondaga County are lower than such costs for comparable groups in similarly-situated New York State counties; and

WHEREAS, as part of the formalized Care Coordination Program, the county mental health departments will continue the already established components of the program and will work collaboratively to put in place managed systems of care for people diagnosed with serious mental illness, using a strategy which blends managed care techniques with recovery-oriented, person-centered planning to achieve improved clinical outcomes, and this new program component will be known as "Managed Systems of Care"; and

WHEREAS, Managed Systems of Care that actively involve participating service recipients in the treatment process is in the interests of the service recipients, the local provider organizations and the governments; and

WHEREAS, local and regional Managed Systems of Care will also help control Medicaid costs and non-Medicaid costs incurred by county governments; and

WHEREAS, to develop and operate Managed Systems of Care, the county mental health departments require professional expertise, sophisticated technical systems, and staffing resources, and although such resources are unavailable to any single county mental health department, these entities can collaborate and obtain such resources together, allowing for greater efficiencies and for the establishment of common standards of practice and operating procedures in each county mental health department; and

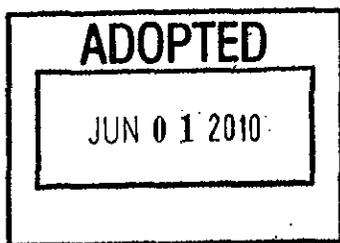

WHEREAS, as such, the county mental health departments will draft and execute an intermunicipal agreement, allowing these entities to establish a framework to support their ongoing collaboration on the Care Coordination Program and to further develop the Managed Systems of Care; and

WHEREAS, such intermunicipal agreement will also include, inter alia, a provision in which the participating entities agree to sponsor the formation of a not for profit corporation, responsible for managing the collaborative activities of the Care Coordination Program, and a provision in which the participating county mental health department may make financial contribution to support the operation of the corporation, subject to appropriation by this Legislature; and

WHEREAS, it is the desire of this Onondaga County Legislature for the Onondaga County Department of Mental Health to continue participating in the Care Coordination Program and to formalize its role through such an intermunicipal agreement; now, therefore be it

RESOLVED, that the County Executive is hereby authorized to enter into contracts to implement the intent of this resolution for a term not to exceed five years, and such contracts shall be renewable for three additional five-year terms.

WHEREAS, by Resolution No. 14 - 1995, the County imposed a three month waiting period for health insurance benefits for county employees not represented by a bargaining unit; and

RESOLUTION NO. 135

APPROVING AMENDMENTS TO THE MANAGEMENT AGREEMENT BETWEEN THE COUNTY
AND THE ONONDAGA COUNTY CONVENTION CENTER WAR MEMORIAL COMPLEX
MANAGEMENT CORPORATION

WHEREAS, pursuant to Chapter 839 of the Laws 1987 of the State of New York, Onondaga County constructed the Onondaga County Convention Center/War Memorial Complex (Oncenter Complex), a county-owned facility, for the purpose of attracting athletics, concerts, conventions and other related business to Onondaga County and, particularly, the downtown area, including its hotels, shops, and restaurants; and

WHEREAS, in order to provide for the efficient and professional operation of the Oncenter Complex, the County has entered into an agreement with the Oncenter Management Corporation (the Corporation) for management of the Oncenter Complex, with it being the sole purpose of the Corporation to manage this county-owned facility; and

WHEREAS, a difficult economic climate has caused a decrease in overall revenues generated at the Oncenter Complex, making it necessary for the County to identify ways in which it can better support the Corporation in providing its management services to the County, thereby continuing to serve a public purpose by generating tourism in the area; and

WHEREAS, it is the understanding of this Legislature that the Corporation is also identifying and implementing various measures to effect a decrease in its overall expenses and limiting the amount of County subsidies; and

WHEREAS, it is the desire of this Legislature to approve amendments to the Management Agreement, consistent with these principles; now, therefore be it

RESOLVED, that this Legislature approves the inclusion, by the County Executive, of the following amendments to the Management Agreement between the Corporation and the County; and, be it further

RESOLVED, that Section 1.01(a) is hereby amended to insert the following:

Provided, however, that the County Executive may elect to terminate such portion of this Agreement whereby the Corporation manages and operates the Civic Center cafeteria, located in the basement of the Civic Center, and/or the Madison Street Café, located on the first floor of the Civic Center. In the event that the County Executive so elects, she shall cause written notice of such decision to be delivered to the Corporation, indicating therein the termination date. The Corporation shall no longer manage, operate, promote, maintain or repair the Civic Center cafeteria and/or the Madison Street Café after said termination date. Thereafter, the County will provide for whatever operation of these facilities it deems appropriate.

and, be it further

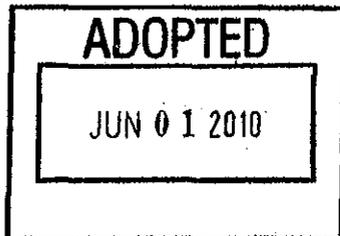

RESOLVED, that Section 2.03(e) is hereby amended to strike the second "and" found within the first sentence of such subsection and to substitute therefor "and/or", making the first sentence read as follows:

All repairs to the Complex made under subparagraphs (b) and (d) of this Section that have a useful life of more than one year and/or cost more than \$10,000 each when considered reasonably discretely, shall be paid for from the accrued reserve for repairs and capital replacements established by the County in accordance with Chapter 839 of the Laws of the State of New York of 1987, as amended and as outlined in the Development and Operations Plan as part of the operating expenses of the Complex, as the case may be, approved in the Corporation's annual budget by its Board of Directors, and appropriated by the County Legislature.

and, be it further

RESOLVED, that in all other respects the Management Agreement, dated October 2007, on file with the Clerk of this Legislature, be hereby ratified and approved as may be amended herein.

LOCAL LAW NO. ___ - 2010

A LOCAL LAW REGULATING THE TRANSFER OF SECONDHAND ARTICLES, AND REPEALING LOCAL LAW NO. 3 - 1981 REGARDING THE TRANSFER OF PRECIOUS METALS AND JEWELRY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF ONONDAGA COUNTY AS FOLLOWS:

Section 1. Legislative Finding & Purpose.

The purpose of this local law is to protect the residents of the County of Onondaga by discouraging the theft and sale of stolen goods. Those Secondhand Dealers engaged in the sale of secondhand goods serve a legitimate function, but may also be used by thieves to dispose of stolen goods. This Local Law will regulate those commercial outlets by requiring Secondhand Dealers to register their businesses and to maintain records of transactions. These requirements will serve to assist in the recovery of stolen items, assist in the detection and apprehension of thieves, and discourage Secondhand Dealers from taking in articles that they suspect may be stolen, thereby greatly reducing the market for stolen goods and discouraging theft.

Section 2. Definitions.

- a. "Secondhand Dealer" means any person, corporation, partnership, association, limited liability corporation, and the agents, associates or employees thereof, regularly engaged in the commercial exchange, purchase and/or sale of secondhand articles.
- b. "Secondhand Article" means any goods sold at resale, except as specifically provided for herein.
- c. "Identification" means an official document issued by the United States government, or by any state, county, municipality, public agency or department thereof, provided that such document contains a photographic image of the holder.
- d. "Precious metals" shall mean gold, silver, platinum, titanium, precious and semi-precious stones and coins.

Section 3. License Required.

Effective August 1, 2010, no person, corporation, partnership, association, limited liability corporation or other entity shall operate in Onondaga County as a Secondhand Dealer or hold themselves out as a Secondhand Dealer without first being licensed by the Onondaga County Sheriff as provided for herein.

Section 4. Exemption from Licensing Requirement.

Nothing in this local law shall be construed to apply to the following:

- a. The sale of any item sold at a garage sale, yard sale, estate sale, or moving sale (collectively referred to herein as "garage sale"), provided that all of the following conditions are met:

1. The garage sale is held on residential property owned, rented, leased, or occupied by the seller or by at least one seller if there are multiple sellers; and
 2. The items offered for sale are owned by the seller, and/or the seller is authorized by the owner to sell said items.
 3. The garage sale does not exceed a period of ninety-six (96) consecutive hours;
 4. The seller does not conduct more than three garage sales in any consecutive twelve month period;
 5. None of the items offered for sale were purchased by the seller for resale or received on consignment for purposes of resale.
- b. The sale of any secondhand article by any non-profit or charitable organization or on property occupied by any non-profit or charitable organization.
 - c. The sale of secondhand books or magazines, wherever sold.
 - d. The sale of secondhand articles at an auction held by a licensed auctioneer.
 - e. The sale of used furniture, used clothing, or used baby/children's items. The sale of electronics and games for electronics are not exempt from the requirements of this local law, but are exempt if sold at a garage sale, yard sale, estate sale or moving sale as defined herein.
 - f. Any transaction involving the sale or disposal of secondhand articles regulated by state or federal law.
 - g. Internet sales or purchases.

Section 5. License Application.

Applicants for a license pursuant to this local law must file with the Onondaga County Sheriff's Office an application, supplied by such Office, containing the following information:

- a. the exact name, address, and telephone number of the applicant and the principles and officers thereof and the date of incorporation or organization, as applicable; and
- b. the name, business address, residential address, and telephone number of the operator of such business if other than the applicant; and

- d. the days and hours during which such business will be customarily open to the public.

Section 6. License Fee.

Upon original application for a license to operate as a Secondhand Dealer, applicant shall pay to the Sheriff a fee in the amount of \$75.00. Upon application for a renewal, licensee shall pay to the Sheriff a renewal fee in the amount of \$75.00.

Section 7. Fingerprinting required.

Each applicant shall be required to provide fingerprint information to the Onondaga County Sheriffs Office as necessary to obtain a criminal history record check through the New York State Division of

Criminal Justice Services/FBI. The Sheriff may require from such applicants fingerprint identification, signed waivers or consents permitting inquiry into the criminal history of applicants, and fees, pursuant to 837(8-a) of the New York Executive Law and amendments thereto, required by the New York State Division of Criminal Justice Services. The County hereby is authorized to enter into agreements with the Division of Justice Services for the provision of fingerprint searches.

Section 8. Licensing.

Upon filing of an application for a license, if the Sheriff shall be satisfied that the application complies with the provisions of this Local Law, the Sheriff shall issue a license to operate as a Secondhand Dealer. The license shall remain in effect for a period of one year unless surrendered or revoked. The Sheriff shall approve or deny every application within ninety (90) days from filing. In the event the location of the business changes, licensee shall notify the Sheriff in writing. If there are changes among the principles, officers or operators of such business, licensee shall notify the Sheriff and shall submit two fingerprint cards and the appropriate fee for each individual. The form of the license shall be prescribed by the Sheriff.

Section 9. Grounds for denial or revocation of license.

The Onondaga County Sheriff shall have the power to deny or revoke the license of any person convicted within the immediately preceding ten years of a crime involving theft, larceny, burglary, possession of stolen property, or other fraudulent dealing. The Sheriff may revoke any license for a conviction pursuant to § 14 of this local law. Notice of denial or revocation of a license issued pursuant to this local law shall be given by the Sheriff or his designee in writing, setting forth specifically the grounds on which such license was either denied or revoked with opportunity for a hearing as provided for herein. Such notice shall be transmitted by certified or registered mail. Such denial or revocation may be challenged pursuant to Article 78 of the New York State Civil Practice Law and Rules. Pending a hearing and adjudication on denial or revocation of a license, no person shall operate as a Secondhand Dealer.

Section 10. Expiration and renewal of licenses.

A license issued pursuant to this local law must be renewed annually, as measured from the date of the issuance of the initial license.

Section 11. Display of license.

Every Secondhand Dealer shall cause the Secondhand Dealer license to be prominently displayed at said Secondhand Dealer's place of business.

Section 12. Records to be maintained by Secondhand Dealer.

a. Seller Information.

Except as otherwise provided herein, no Secondhand Dealer shall acquire within Onondaga County any secondhand article (whether or not acquired within the Secondhand Dealer's physical place of business) unless such Secondhand Dealer has obtained and recorded the following information:

6. The date, time and place of the acquisition.

The information shall be recorded on a Receipt, numbered in consecutive order and maintained in the Dealer's records as provided for herein.

b. Identification Information.

Prior to acquiring any secondhand article covered by this local law, every Secondhand Dealer shall request Identification from the seller and shall verify the identity of the seller by comparing the seller to the photographic image contained on said Identification. The Secondhand Dealer shall record the seller's name, date of birth and address (or current address if different than that listed on the Identification), and the Identification number (e.g., motorist ID number) listed on the Identification. If the acquisition occurs within the physical place of business, the Secondhand Dealer shall make a photocopy of the front of the Identification. If the acquisition is made from another Secondhand Dealer, the Secondhand Dealer purchasing the item shall also record the business name and address of the Selling Dealer and the number of days the item was held by the Selling Dealer prior to instant acquisition.

c. Records Retention/Inspection.

1. Every Secondhand Dealer shall maintain for a period of 5 years all of the information required in subparagraphs a and b of this Section 12. Computerized records may be used to satisfy the requirements of this local law, provided that such records include the required information and are available upon reasonable request for inspection in printed format. All records required to be maintained pursuant to this local law and all secondhand articles covered by this local law shall be subject to examination during normal business hours by any member of the Onondaga County Sheriff's Office or other police department or agency.
2. On or before 10:00 a.m. every Tuesday, every Secondhand Dealer shall forward to the Onondaga County Sheriff, on electronic forms provided by the Sheriff, a copy of the Seller Information required by subparagraphs a and b of this Section 12 for each secondhand article acquired in the immediately preceding 7 days, and shall cause such forms to be delivered via electronic mail to the Sheriff at the address designated on said form. Photographs of precious metals, jewelry and gems shall not be required to be transmitted with these forms.
3. Failure to maintain the records required by this Section 11 shall constitute presumptive evidence of a crime.

Section 13. Requirement to Hold Secondhand Articles Prior to Disposal, Resale or Alteration.

For a period of seven days after the acquisition of any secondhand article, excluding the day of acquisition, (the "holding period"), every Secondhand Dealer shall maintain the secondhand article in a manner so as to be easily identified with the transaction in which said article was acquired. During said holding period, no Secondhand Dealer shall:

2. Alter in any fashion any such article; or
3. Commingle any such article with similar items.

Such violation shall be punishable as defined in the Penal Law of the State of New York as may be amended from time to time.

Conviction of any offense against the provisions of this local law shall constitute grounds upon which the Sheriff may deny or revoke the license.

Section 15. Repeal.

Local Law No. 3-1981 regulating the transfer of precious metals and jewelry hereby is repealed.

Section 16. Severability.

If any provision, sentence or clause of the local law is held unconstitutional, illegal or invalid by a Court of competent jurisdiction, such findings shall not affect or impair any of the remaining provisions, sentences or clauses or their application to persons and circumstances.

Section 17. Application.

This local law shall apply to all Secondhand Dealers operating in Onondaga County, except that this local law shall be inapplicable in any city, village or town, during such time as such city, village or town is regulating or licensing the occupation or business in question.

Section 18. Reverse Preemption.

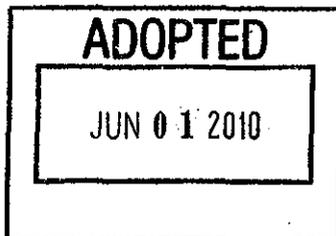

This law shall be null and void on the day that statewide or federal legislation goes into effect, incorporating either the same or substantially similar provisions as are contained in this law, or in the event that a pertinent state or federal administrative agency issues and promulgates regulations preempting such action by the County of Onondaga. The Onondaga County Legislature may determine via resolution whether or not identical or substantially similar statewide legislation has been enacted for the purposes of triggering the provisions of this section.

Section 19. Effective Date.

The local law shall become effective August 1, 2010 and shall be filed pursuant to the provisions of the Municipal Home Rule.
