WHEREAS, introduction of large volumes of stormwater into the sanitary sewer system during periods of wet weather can result in sanitary and combined sewer overflows (and the release into the environment of untreated sewage), and can also result in basement backups and other undesirable consequences; and

WHEREAS, these conditions can result in the District being required to invest in costly upgrades to wastewater collection and treatment facilities in order to provide additional capacity to collect, transport and treat stormwater especially during periods of wet weather; and

WHEREAS, it is the purpose of the Local Law, by the application and enforcement thereof, to deter, prevent and eliminate, as far as possible, the introduction of stormwater into the County interceptor sewer system and all public sewers tributary thereto; and

RESOLUTION NO. 180

ADOPTING A REVISED SALARY BENEFIT SCHEDULE WITH RESPECT TO COUNTY EMPLOYEES NOT REPRESENTED BY A BARGAINING UNIT, REMOVING THE AUTHORITY OF THE COUNTY EXECUTIVE TO HIRE AT AN ADVANCED STEP B, AND FURTHER AMENDING RESOLUTION NO. 231 - 2000, AS PREVIOUSLY AMENDED, AND RESOLUTIONS NOS. 79 - 2010 AND 232 - 2008

WHEREAS, in 1998 the Onondaga County Legislature authorized a salary study of all management confidential positions, and, after the conclusion of that study, the Legislature adopted Resolution No. 231 - 2000, which assigned a salary grade for each title, delineated twenty-seven steps for each salary grade and authorized the County Executive to hire up to Step G in exceptional circumstances; and

WHEREAS, in the ten years since the salary study was implemented, the County has encountered difficulties recruiting for various management confidential positions in instances where county salaries are not competitive with salaries offered by other employers; and

WHEREAS, in addition, pay grades for certain management confidential positions have not kept pace with the pay grades for represented employees, and, in some cases, this lag results in a supervisor being paid the same or less than the employees he or she is charged with supervising; and

WHEREAS, by Resolution No. 235 - 2008, the Onondaga County Legislature adopted a revised salary and benefit schedule for management confidential employees for years 2008 - 2010, but by Resolution No. 217 - 2009, the planned salary increases for year 2010 were eliminated and Salary Schedule C of that resolution (the salary schedule for year 2010) was deleted; and

WHEREAS, it is the desire of the Legislature to make adjustments to address these issues; now, therefore be it

RESOLVED, that the Salary Schedule, attached hereto and made a part hereof as Appendices A-F, shall be applicable to all regular full time employees and regular part time employees (on a pro rata basis) who are not represented by a recognized labor organization; and, be it further

RESOLVED, that the salary schedule set forth in Appendix A shall take effect the beginning of the first payroll period after January 1, 2011, the salary schedule set forth in Appendix B shall take effect the first payroll period after April 1, 2011, the salary schedule set forth in Appendix C shall take effect the first payroll period after July 1, 2011, the salary schedule set forth in Appendix D shall take effect the first payroll period after October 1, 2011, the salary schedule set forth in Appendix E shall take effect the first payroll period after January 1, 2012, and the salary schedule set forth in Appendix F shall take effect the first payroll period after April 1, 2012; and, be it further

RESOLVED, that each newly-hired employee covered by this resolution shall be slotted in the first Step of the appropriate grade in each salary schedule set forth in Appendices A-F, including all part time, seasonal and temporary employees on the 103 payroll, serving in management confidential titles effective beginning the first full pay period as provided for in the clause immediately preceding; and, be it further

RESOLVED, that effective with the beginning of the first full pay period after January 1, 2011, April 1, 2011, July 1, 2011, October 1, 2011, January 1, 2012, and April 1, 2012 (collectively "the quarters"), each employee covered by this resolution shall advance one lateral step and shall thereafter receive the compensation at the rate established on the salary schedule then in effect for such grade and step; and, be it further

RESOLVED, that each employee covered by this resolution who is at Step 1 (the final step) on the first full pay period on the start of any such quarter, shall, in lieu of a lateral step, receive an amount equal to 1.2% of the employee's then current salary as listed on the Schedules and Appendices A - F, to be paid as a one-time lump sum payment on or about the end of each such quarter (which for the final quarter of April 1, 2012 shall mean a final payment made on or about July 1, 2012); and, be it further

RESOLVED, that Resolution No. 231 - 2000 hereby is amended in Appendix C, paragraph 3, such that for the period from January 1, 2011 through December 31, 2012 there shall be no further lateral movement across the steps for having met performance criteria in the previous year and during such period lateral steps shall be solely as provided for herein; and effective January 1, 2013, there shall again be lateral movement across the steps for having met performance criteria in the previous year; and, be it further

RESOLVED, that Resolution No. 231 - 2000, as amended by Resolution No. 122 - 2010, hereby is further amended in Appendix C, paragraph 5, to delete the following sentence: "In exceptional circumstances the County Executive can authorize hiring up to Step B", such that there shall be no further advanced step hires unless specifically approved by this Legislature; and, be it further

RESOLVED, that the resolutions establishing the salary for the Election Commissioners, including Resolutions Nos. 79 - 2010 and 232 - 2008, hereby are amended to be consistent with this resolution; and, be it further

RESOLVED, that Resolution No. 231 - 2000, and each of the amendments thereto, are each hereby further amended to the extent they are inconsistent with this resolution; and, be it further

Motion Made By Mr. Lesniak , Mr. Corbett

RESOLUTION NO. 181

AMENDING THE VACATION LEAVE SCHEDULE FOR COUNTY EMPLOYEES NOT REPRESENTED BY A BARGAINING UNIT

WHEREAS, in recent times, the County has encountered difficulties recruiting for various management confidential positions, and such difficulty is due, in part, to the County's policy regarding vacation leave for newly hired employees; and

WHEREAS, under the current Vacation Leave policy, newly hired employees in management confidential positions may not use vacation leave until the completion of one full year of employment, with the ability to borrow up to five days of vacation leave upon completion of six months of service; and

WHEREAS, it is the desire of the Legislature to make adjustments to address this issue by eliminating the waiting period and authorizing management confidential employees to use accrued vacation leave in their initial year of hire; now, therefore be it

RESOLVED, that the Vacation Leave policy for newly hired management confidential employees shall be amended such that, during the initial year of employment, vacation leave shall be earned and credited during the course of the initial year, and such leave shall be available for use by the employee as such leave is earned and credited during the course of that initial year, rather than earned, credited and available for use on the employee's anniversary date; and, be it further

RESOLVED, that in all other respects, the Vacation Leave policy currently in effect shall remain in full force and effect, except as modified herein.
