LOCAL LAW NO. ____ - 2023

A LOCAL LAW OF THE COUNTY OF ONONDAGA ESTABLISHING A CODE OF ETHICS,
CREATING A BOARD OF ETHICS, REQUIRING FINANCIAL DISCLOSURE BY CERTAIN
OFFICERS, EMPLOYEES AND APPOINTED OFFICIALS AND REPEALING LOCAL LAW NO. 13
OF 1990

BE IT ENACTED BY THE ONONDAGA COUNTY LEGISLATURE OF THE COUNTY OF
ONONDAGA, NEW YORK, AS FOLLOWS:

ARTICLE I. PURPOSE AND CONSTRUCTION

The citizens of Onondaga County are entitled to expect the highest degree of conduct on the part of County officers, employees and appointed officials. The Legislators of the County of Onondaga recognize that there must be rules of ethical conduct for its officers, employees and appointed officials to observe if a high degree of moral conduct is to be obtained and if public confidence is to be maintained in our County government. It is the purpose of this Law to promulgate these rules of ethical conduct for the officers, employees and appointed officials of the County of Onondaga. These rules shall serve as a guide for official conduct of such officers, employees and appointed officials. The rule of ethical conduct of this chapter is meant further to comply with Article Eighteen of the General Municipal Law.

ARTICLE III. CODE OF ETHICS

There is hereby established and adopted a code of ethics containing the following standards of conduct for officers, employees and appointed officials of Onondaga County.

Section 3.1. (a) Receipt of Benefit. They shall not directly or indirectly solicit, accept or agree to accept any interest from another person upon an agreement that her/his vote, opinion, judgment, action, decision or exercise of discretion as a County officer, employee or appointed official will thereby be influenced.

(b) Confidential information. They shall not disclose information which is lawfully confidential and acquired by them in the course of their official duties or use such information to further their personal interests.

(c) Representation before one's own agency. They shall not receive or enter into any agreement, express or implied, for compensation or benefit to themselves or a relative, including their electoral campaign or affiliated political action committee, directly or indirectly, for services to be rendered in relation to any matter before any County agency of which they are an officer, employee or appointed official or of any County agency over which they have jurisdiction or to which they have the power to appoint any officer, employee or appointed official.

(d) Representation before any agency for a contingent fee. They shall not receive nor enter into any agreement, express or implied, for compensation or benefit to themselves or a relative, including their electoral campaign or affiliated political action committee, directly or indirectly, for services to be rendered in relation to any matter before any agency of the County, whereby their compensation is to be dependent or contingent upon any action by such agency over which he/she has substantial involvement and policy-making authority with respect to such matter, provided that this paragraph shall not prohibit the fixing at any time of fees based upon the reasonable value of the services rendered.

(e) Disclosure of interest in any legislation or County contract. To the extent that they know thereof, any officer, employee or appointed official of the County of Onondaga, whether paid or unpaid, who has any interest in any legislation before the County Legislature or a committee thereof and who gives any opinion to such body upon such legislation or who has an interest in any contract or agreement of the County or an agency in which he or she may make policy decisions or perform discretionary acts thereof, shall disclose to an immediate supervisor in writing the nature and extent of such interest. Such disclosure shall be made prior to rendering such opinion or engaging in said policy decisions and discretionary acts. A County Legislator who has any interest in any such legislation, contract or agreement shall make prior disclosure in writing to the Chairperson of the Legislature and to the County Attorney in lieu of a supervisor and shall withdraw from participation in any legislative process with respect thereto.

(f) Partnership, unincorporated association or corporation. No partnership or unincorporated association of which a County officer, employee or appointed official is a member or employee or in which he or she has a proprietary interest, nor any corporation of which a County officer, employee or appointed official is an officer or director or legally or beneficially owns or controls more than five percent of the outstanding stock, shall appear before the agency served by or which employs such County officer, employee or

appointed official on behalf of any person other than the county without full disclosure to the Board of Ethics.

(g) Investments in conflict with official duties. An officer, employee or appointed official shall not invest or hold any investment directly or indirectly in any financial, business, commercial or other private endeavor or entity, which creates a conflict with his or her official County duties.

(h) Private employment or services. An officer, employee or appointed official shall not engage in, solicit, negotiate for or promise to accept private employment or render services for private interests when such employment or service creates a conflict of interest with or impairs the proper discharge of official County duties. In the event such a conflict arises with respect to a legislator, (s)he shall notify the Chairperson of the Legislature of same and withdraw from participation in any legislative process with respect thereto.

(i) Future employment. For a period of two years after the termination of service or employment with the County, no former officer, employee or appointed official, on his or her own behalf, or as an employee, agent or representative of another may apply to or appear before or conduct business with respect to any County agency or legislative body in any matter concerning which he or she personally rendered substantial services and made policy decisions during the period of his or her term of office, service or employment by such agency or body. Said two year prohibition may be waived by the Board of Ethics for good cause upon written application of such officer, employee or appointed official. At the expiration of the two year period and thereafter, the former officer, employee or appointed official shall make prior disclosure in writing to the Board of Ethics of the nature and extent of his/her county involvement with matter (s)he now seeks to address with such county agency or legislature.

(j) No County elected official whose terms of office has expired, or who resigns prior to the completion of his or her term of office, may be employed by the County in any other non-elected position for a period of two years after his or her resignation or term expires. Nothing contained in this section shall prohibit a former County officer, employee or appointed official from being associated with or having a position in a firm that appears before a County agency or from acting in a ministerial matter regarding business dealings with the County.

(k) Offer of Employment. An officer, employee or appointed official shall disclose in writing to the Board of Ethics any offer of employment received from any person, firm or corporation which, to the knowledge of such officer, employee or appointed official, is furnishing or seeking to furnish goods or services to the County, if such officer, employee or appointed official has substantial involvement or responsibility for policy making in securing such goods or services and if such officer, employee or appointed official enters into negotiations for such employment. Such disclosure must be made whether or not such offer and negotiations are verbal or written and whether or not the offer is accepted.

(l) Campaign Contributions. No County officer shall solicit political contributions from subordinates or request that they attend political functions or engage in any political activity.

(m) Nepotism. Relatives of County elected or appointed officials are precluded from being appointed or hired as County officers or employees outside of the civil service system. No

officer, employee, elected or appointed official may participate in any decision specifically to appoint, hire, promote, discipline or discharge a relative as a County officer or employee, or from supervising a relative. If the County officer or employee does not participate in such employment decision and would not supervise the relative, then this Code of Ethics would not prohibit the County from hiring or appointing the relative. “Relative”, for purposes of this Section 3.1(m) only, includes: husband, wife, father, mother, son, daughter, brother, sister, grandparent (including greats), grandchild (including greats), or spouse of any of these, or a person living in the same household as the County officer, employee, elected or appointed official. For a married County officer, employee, elected or appointed official, members of the spouse’s family are included.

(n) Dual Office Holding. No member of the County Legislature, during the term for which they are elected, unless during such term they resign therefrom, shall: hold any other elective office under the United States, or New York State, or a political subdivision thereof; be appointed to any public office under the United States, or New York State or a political subdivision thereof incompatible with their elective office; be hired as a County employee; or serve as a political party officer. This provision does not extend to notaries public, volunteer fire companies, ambulance, first aid, hazardous materials, rescue squad, or members of the United States armed forces or New York State National Guard.

(o) No officer, employee or appointed official may use County-owned property, assets, or any resources for personal purposes or profit. Use of these resources is restricted to the conduct of official business to further an authorized public purpose.

(p) Gifts. An officer, employee or appointed official shall not solicit or accept any gift, whether financial or in any other form, having a value of \$75 or more from any person or firm which such officer, employee or appointed official knows is or intends to become engaged in business of any kind with the County, including applications for permits or approvals of contracts.

Section 3.2. All persons, firms, or corporations rendering services to the County as contractors, consultants, or in any other professional capacity, whether paid or unpaid, shall file an instrument with the Onondaga County Attorney, a copy of which shall be provided to the Board of Ethics. Such instrument shall be in the form of a written affidavit and shall state that “the party agrees that it has no interest and will not acquire any interest, direct or indirect that would conflict in any manner or degree with the performance of the services to be rendered to the County.” Such instrument shall also state that “the party further agrees that, in the rendering of services to the County, no person having any such interest shall knowingly be employed by it.” Further, such instrument shall set forth and itemize the amount said person, firm or corporation, in the aggregate and inclusive of partners/shareholders/officers/employees thereof, donated to any County-wide elected official, his/her electoral campaign, or affiliated political action committee during the preceding election cycle, and identifying each candidate for which such donation was made and the amount thereof separately. Filing of all or part of such instrument may be waived by the Board of Ethics for good cause upon written application. Such instruments shall be publicly posted on the Board of Ethics website and/or made available upon a Freedom of Information Law (Public Officers Law Article 6) request.

ARTICLE IV. BOARD OF ETHICS

The Ethics Board shall elect a Chair from its membership. Whenever a request for access to an advisory opinion herein is received, the officer, employee or appointed official who requested the opinion shall be notified of the request within forty-eight (48) hours of the receipt of the request.

All dispositions, including negotiated dispositions, in which the Board of Ethics finds a violation of this chapter shall be available for public inspection and copying.

(8) Nothing in this section shall be construed to permit the Board of Ethics to conduct an investigation of itself or of any of its members or staff. If the Board of Ethics receives a complaint alleging the Board of Ethics or any of its members or staff violated any provision of this Local Law, or of any other applicable law, the Board of Ethics shall promptly transmit a copy of the complaint to the County Legislature, with a copy to the County Attorney.

Section 4.8. The Board of Ethics shall be the repository for completed annual statements of financial disclosure, pursuant to §808(5) of General Municipal Law and Article VIII herein and such written instruments, affidavits, and disclosures as set forth in Article III above.

Section 4.11. The County Attorney or his designated deputy shall serve as counsel to the Board of Ethics, unless independent counsel is required. The Board, by a majority vote of the Board's entire membership, may appoint independent counsel and such other staff as may be necessary to exercise its powers and fulfill its obligations, within appropriations therefor.
