

LOCAL LAW NO. 5 - 2009

A LOCAL LAW AMENDING A PREVIOUSLY DESIGNATED REGIONALLY SIGNIFICANT PROJECT WITHIN THE ONONDAGA COUNTY EMPIRE ZONE

BE IT ENACTED BY THE ONONDAGA COUNTY LEGISLATURE OF THE COUNTY OF ONONDAGA, NEW YORK, AS FOLLOWS:

Section 1. By Local Law No. 6-1997 this Legislature authorized the County of Onondaga to prepare and submit an application for designation of an Empire Zone (then known as an Economic Development Zone), pursuant to Section 961(a) of the General Municipal Law, and the creation of such Zone was approved by the New York State Commissioner of Economic Development and such Zone was formally designated by the Empire Zones Designation Board on June 3, 1998.

The New York State Legislature and the Governor enacted into law changes to the Empire Zones program, whereby each existing Empire Zone configured its existing zone acreage into not more than six "distinct and separate contiguous areas" and provided for the location of regionally significant projects outside of the distinct and separate contiguous areas.

Section 2. By Local Law No. 4-2008, this Legislature authorized Revonate Manufacturing, LLC (the "Company") as a Regionally Significant Project located at 4697 Crossroads Park Drive in Liverpool, New York and such Regionally Significant Project was formally designated by the Office of Empire State Development Corp. on April 3, 2008.

Section 3. At its time of application, the Company projected the creation of seventy-three jobs over a five year period and has exceeded that target in its first year of operation.

Section 4. The Company has submitted a request to amend the existing Regionally Significant Project to include a second location to expand its manufacturing operations at a 11.62 acre parcel on 7645 Henry Clay Boulevard, Liverpool, New York in the Town of Clay as a Regionally Significant Project within the Onondaga County Empire Zone. This location will become part of the original Regionally Significant Project already approved at the Crossroads Park location referenced herein.

Section 5. The Company will create 100 jobs between the two locations as part of its Regionally Significant Project.

Section 6. The location at 7645 Henry Clay Boulevard is not within the Onondaga County Empire Zone boundaries.

Section 7. The Zone Administrative Board of the Onondaga County Empire Zone has determined that the proposed amended project is eligible for Empire Zone benefits as a Regionally Significant project under the Section 957(d)(i) of the General Municipal Law.

Section 8. The Onondaga County Legislature of Onondaga County hereby approves the allocation of zone lands for the proposed expansion of the Company's manufacturing project as a Regionally Significant Project as determined by the Zone Administrative Board and the New York State Department of Economic Development, said zone lands to constitute the property identified as Tax Parcel Number 095.-02-13.1 in the Town of Clay.

Section 9. The Commissioner of the New York State Department of Economic Development is hereby requested to approve this addition to the Onondaga County Empire Zone in accordance with this Local Law.

Section 10. This local law shall take effect immediately pursuant to the provisions of the New York State Municipal Home Rule Law.
