November 14, 2012

To the Facilities Chair and Committee:

This document is CNY Arts' interim report on the progress of the Symphony to confirm that public performances have taken place as scheduled. Our plan is that I will be also presenting a report at the end of the month of November to the Ways and Means committee.

CNY Arts Board Chair, Catherine Gerard, Board Member George Nardone and I met at length with Jon Garland, MACNY Board Member. The following updated schedule was reviewed; every public performance scheduled has been performed. The Nutcracker has been confirmed for three performances as the December weekend event. An education performance has been added in Fulton, others have been postponed – Liverpool, W. Genesee, Skaneateles and Sherbourne. The Symphony remains on track for its official opening on December 14th, 2012 Holiday Pops Concert. A Marketing Consultant Cookie Caloia (SU professor, formerly from Eric Mower Associates) has been secured and is on contract with MACNY. Also, in October, CNY Arts staff and board have been in consultation with the Symphony Foundation which has allocated through CNY Arts an initial \$50,000 startup grant and a \$28,000 operations grant for the month of October.
