LOCAL LAW NO. 13 - 2013

A LOCAL LAW AUTHORIZING FINANCIAL SUPPORT FOR THE PURPOSE OF MAKING VARIOUS SANITARY IMPROVEMENTS FOR PRIVATE RESIDENCES LOCATED ON OR ABOUT WHEDON ROAD WITHIN THE TOWN OF ONONDAGA

BE IT ENACTED BY THE COUNTY LEGISLATURE OF ONONDAGA COUNTY AS FOLLOWS:

Section 1. Purpose/Findings.

It is hereby determined to be in the interests of Onondaga County to provide financial support to defray the costs of constructing sewer improvements in the vicinity of Whedon Road, within the Town of Onondaga (the "Project"). The purpose of the Project is to abate a failed septic system serving approximately 34½ residential units located along Whedon Road. The Onondaga County Health Department advises that the existing septic system discharges sewage above ground, that sewage flows onto adjoining properties, and that the problem is exacerbated during periods of heavy rain. The Project would resolve these issues impacting the public health, and would resolve issues affecting the public welfare by avoiding blight in this area of the County. The projected costs of the Project are prohibitive to the property owners, and sewage discharges are expected to continue unless public financial support is provided for the Project.

Article 11-A of the Administrative Code further empowers the County to coordinate with the Town regarding financing certain public improvements that promote the public health, welfare, convenience and/or safety to prevent the costs incurred with such improvements from becoming an undue burden upon the improved properties.

This Onondaga County Legislature finds and determines that there are issues of public health and public welfare, and that contributing financial support to defray the costs of the Project and abate such problems is in the best interests of the County's residents and constitutes a county purpose.

Section 2. Authorization of Support.

Onondaga County is authorized to provide financial support to defray the costs of the Project. The amount of such support shall be subject to appropriations within the annual County Budget. The County Executive is authorized to enter into agreements to implement the intent of this local law.

Section 3. Effective Date.

This local law shall take effect immediately and shall be filed pursuant to the Municipal Home Rule Law.
