- b. Amending the 2021 Onondaga County Budget to Accept \$1,167,992 in Extreme Winter Recovery Funding From the New York State Department of Transportation and Authorizing the Execution of Agreements (\$1,167,992)

Mr. Voss:

- State funded mechanism in odd number years
- Page 3 shows how money will be spent
- Will stay on top of contractors to complete all projects
- Answered Ms. Cody's question – in 2020 Onondaga County received \$0 – this is new money
- Answered Ms. Kuhn's question – yes, this work will be completed with existing staff – will spend money on overtime – know what the cost of it – as long as we can plan ahead employees will be able to work – a lot of employees have part time jobs – most have been receptive and would rather work the County overtime because the rate is better than their non-County job
