COUNTY OF ONONDAGA DEPARTMENT OF TRANSPORTATION

The Onondaga County Department of Transportation is responsible for the maintenance of its 800 miles of highway and making them safe for the traveling public. For the purposes of response and ease of maintenance, the Department of Transportation has divided the County into quadrants, with each quadrant served by its own maintenance facility. These facilities are responsible for surface treatment, snow removal, striping, signing, drainage, and overall general maintenance.

ROUTE CLASSIFICATION

- Interstate (90)
- US Route (11)
- State (5)
- County (57, 46)

ROAD OWNERSHIP
