The following items are required for a referral to be considered complete:

1. A fully completed Referral Notice prepared by an appropriate municipal official.
2. A copy of a local application as required by the referring municipal board.
3. A survey, site plan and/or subdivision plan.
4. A completed SEQR Environmental Assessment Form (EAF) and related materials.
5. Any additional information that would facilitate review of the proposed action, such as meeting minutes, other submission materials, etc.

Please submit all referral items in one package. The 30-day review period will not begin until the Onondaga County Planning Board has received a complete referral, as listed above. The Onondaga County Planning Board will act within 30 days of receipt unless a time extension beyond 30 days is agreed upon by the Onondaga County Planning Board and the referring municipal board.
