**ONONDAGA COUNTY ANNUAL AGRICULTURAL DISTRICT OPEN ENROLLMENT
AND EIGHT-YEAR REVIEW OF AGRICULTURAL DISTRICT 3**

The Onondaga County Agriculture and Farmland Protection Board announces that the annual open enrollment period for the addition of viable agricultural lands into Onondaga County Agricultural Districts is set for January 1, 2014 to January 30, 2014. Agricultural districts are intended to encourage the continued use of farmland for agricultural production. Enrollment of land into a State certified agricultural district provides protection of accepted agricultural practices through New York State Agricultural Districts Law. Viable agricultural land is land highly suitable for or currently used for agricultural production.

The County has also begun the eight-year review of Agricultural District 3 in the towns of Camillus, Cicero, Clay, Elbridge, Lysander, Manlius, and Van Buren. Landowners within District 3 may propose that land be added to or removed from the District. Those with land currently enrolled in the District will receive mailed notification of the review along with forms that can be used to request changes. The forms must be completed and returned to the Syracuse-Onondaga County Planning Agency by January 30, 2014. While land can be added to agricultural districts annually through the open enrollment process, land can only be removed during the eight-year review.

Change request forms and additional information are available at www.ongov.net/planning/agdist.html, or by contacting the Syracuse-Onondaga County Planning Agency at 315-435-2611 or countyplanning@ongov.net.
