

# Notice to Onondaga County Executive

I, Stephanie A. Miner, in my capacity as the Mayor of the  
(Name) (Elected Office)

City Syracuse of Syracuse, hereby give notice to the Onondaga County Executive of  
(City | Town | Village) (Municipality)

my decision to cause the following proposed action(s) that affects the local government I represent to be

removed from the County-wide Shared Services Plan prior to the panel-wide vote.

Proposal #	Description (as set forth in Shared Services Plan version 1.2)
17030	Onondaga County proposed to combine the Onondaga County Community Development Department and The City of Syracuse Office of Neighborhood Development. A single, more efficient and coordinated department will achieve operational efficiencies, while better positioning the consolidated office when applying for competitive grants such as HUD's Lead-Based Paint and Lead Hazard Reduction Demonstration Grant Programs.
17052	Combine the City and County economic development offices and create a new City-County Industrial Development Agency, to create one professional, fully accountable and transparent economic development agency.
17082	Onondaga County proposes assuming responsibilities for mowing of green spaces and the maintenance of athletic fields within Burnett Park in the City of Syracuse. Under this proposal, the City would continue to maintain the Burnett Park Golf Course and Swimming Pool and provide recreational programs associated with Park.
17120	Onondaga County is proposing that all municipal entities within Onondaga County enter into an Intermunicipal Agreement for equipment sharing. The agreement would list all available equipment by owner that could be provided to other entities for use.
17150	Onondaga County is proposing the creation of a County Wide Fleet-Fuel Card. Fueling at authorized retail locations or existing municipal fueling facilities would avoid the cost of obtaining one of its own.
