Re: Shared Services Vote – Town of Otisco

Dear County Executive Mahoney:

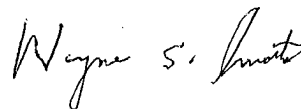

This letter is to inform you of my vote of “NO” for the Shared Services Plan.

The reasons for this vote are as follows:

- (1) There is an error in the Opt Out Section, specifically No. 17150. The Town of Otisco should have been shown as Opting Out of this section.
- (2) The time frame of this process is very compressed.
- (3) Parts of this Shared Services Plan pose a threat to the autonomy of the towns and villages of Onondaga County.
- (4) The projected savings are nebulous and ill-defined.

Thank you for your consideration.

Sincerely yours,

Wayne S. Amato
Supervisor, Town of Otisco
